OVERVIEW

NOT FOR SALE TO U.S. RESIDENTS WHILE IN U.S. WATERS

The 2012 Everglades 350LX "T-PARTY," berthed in Fort Lauderdale, presents itself as an elegant and capable choice for committed bluewater anglers and those who favor adventurous cruising. This 35-foot express/center-console cuddy marries sportfish performance with onboard comfort, projecting the assurance and presence of a true offshore yacht. Measuring an LOA of 34'4" with a 10'8" beam and a maximum draft of 3'2", she balances stability and responsive handling, while a dry weight of 10,900 lbs underscores her solid construction. Propelled by triple Yamaha 350s, she offers brisk acceleration, extended range, and dependable power for serious offshore passages. A 25-degree deep-V hull cushions the ride in challenging seas, and capacious tanks—411 gallons of fuel and 35 gallons of freshwater—support extended fishing ventures or leisurely family cruises. Category keywords: Center Console, Express Cruiser, Cuddy Cabin, Offshore, Bluewater, Sportfish, Walkaround, Dayboat.

DETAILED DESCRIPTION

Overview

The 350 LX model with a cuddy cabin brings offshore capability and refined comfort together in a sleek, athletic profile, purpose-built for serious pursuits and outfitted with a Tuna Tower and a three-quarter enclosure that shelters both the cockpit and the control station, delivering commanding visibility, confident weather protection, and the versatility to chase the horizon in all conditions.

Cabin layout

Forward to port, a three-quarter berth offers a cozy retreat for restful overnights, while to starboard a welcoming seating area is paired with a well-appointed galley featuring a sink, microwave, and small refrigerator so refreshments and hot meals are always within reach; aft to port the enclosed head provides privacy and convenience, and an additional full berth tucked beneath the steps expands sleeping capacity without sacrificing precious interior space.

Cockpit features

The forward cockpit invites relaxation with an L-shaped lounge and an electric Hi-Lo table that seamlessly transitions from cocktail height to dining and down to a sun pad, while at the helm the steering console integrates a dedicated D.C. electrical panel and dual Garmin GPS units with color radar, complemented by a full electronics suite that includes Garmin Autopilot, a Garmin VHF with amp/rom mike, a Garmin Radar four-foot xHD2 open array, and a Fusion stereo system with seven speakers, and command is further refined with an

anchor windlass switch at hand and intuitive trim tab controls for perfectly balanced running attitudes.

Hardtop & control station

A robust hardtop with a three-quarter enclosure spans the cockpit from the helm seats forward, creating a protected, all-weather command environment with easy access from both port and starboard, and atop the structure a full control station amplifies capability with Top Gun-style outriggers, VHF antennas, a remote-controlled spotlight, forward-facing headlights, and rear-facing LED floodlights, ensuring precise rigging, crisp communications, and confident night operations.

Fishing & cockpit equipment

Designed for anglers who demand more, the cockpit is outfitted with eighteen rod holders strategically placed throughout, a live well set off-center to port in the transom, and a four-foot fishbox integrated into the transom for the day's catch, while a three-step swim ladder mounts on the transom or side as needed complemented by a side door for seamless boarding and fish handling; the bait station keeps preparations tidy, both saltwater and freshwater washdown systems make cleanups effortless, overhead rod racks in the hardtop and additional racks under the gunwales together with a cockpit flycover braced aft with stainless steel supports complete a fishing platform engineered for performance and comfort.
