## OVERVIEW

---

Built on a Michael Peters deep V hull and driven by twin 300 hp Yamaha outboards, this luxury walkaround sport cruiser accelerates onto plane in roughly 4–5 seconds, settles into a relaxed 30–35 mph cruise, and will push beyond 45 mph at full throttle, delivering composed, confident handling at every speed. The smart asymmetrical console clears a direct path to the foredeck, while the cockpit of this refined dayboat/express cruiser is arranged for effortless entertaining with foldaway side seating, a wet bar/galley complete with grill and refrigerator, and a fold down sea terrace that opens the swim platform to toys and water access. Belowdecks an enclosed head with a separate shower complements a forward salon that converts into a double berth and a secluded aft cabin, providing comfortable accommodation for up to four — ideal for weekender escapes or extended coastal passages. Systems and fit out emphasize ease of use and turnkey readiness with upgraded dual 12 inch Garmin MFDs, Zipwake automatic trim control, joystick docking and a bow thruster for precise helm control, complemented by white painted outboards, a premium JL Audio sound system and fresh bottom paint ready for immediate enjoyment.
