OVERVIEW

Introducing the Regal 35 Sport Coupe, a poised and versatile express cruiser that marries elegance with practicality. An open-air cockpit crowned by a sliding hardtop sweeps into a generous salon appointed with a convertible double berth, a fully equipped galley and an enclosed head, permitting comfortable accommodations for up to four. The reconfigurable aft sun lounge easily transforms from convivial seating to a sunbed, while an extended swim platform ensures effortless water access. Twin Volvo Penta power provides composed performance, complemented by joystick docking, a Garmin touchscreen helm and climate control. Lift-kept and fastidiously maintained, this sport yacht weekender powerboat stands ready to cruise.

DETAILED DESCRIPTION

Overview

The 2020 Regal 35 Sport Coupe is a luxurious, versatile sport cruiser purpose-built for day cruising and effortless overnights, uniting an open-plan cockpit crowned by a hardtop with a retractable roof, a spacious salon with a convertible berth, a full galley, and an enclosed head. Comfortably accommodating up to four guests, she features a versatile aft sun pad that transforms from convivial seating into a generous sun bed at the touch of a button, and an extended, full-beam swim platform with a power-controlled drop-down section that brings you closer to the water; the platform integrates a built-in ladder and a freshwater shower for easy rinsing after a swim. Power comes from twin Volvo Penta V8 sterndrive engines for smooth, efficient performance, complemented by intuitive joystick control, a touchscreen Garmin glass-panel navigation system, premium sound, and full climate control. The cockpit is arranged for entertaining with ample seating, a wet bar, refrigerator, and a removable table, while below deck a beautifully finished cabin combines a fully equipped galley, a cozy dinette, and a private forward stateroom. Purchased new by the current owner, this 35 Sport Coupe has always been lift kept, flushed with freshwater after each use, and maintained on schedule by Sundance Marine.

Cockpit

Designed for sociable cruising in every season, the cockpit is framed by a full-width sliding hardtop that opens wide for sunshine or closes to deliver cool shade, creating an adaptable outdoor living space. Conversational seating encourages easy gatherings, anchored by a double-wide helm seat that keeps the skipper comfortably in command. At the touch of a button, the optional

slide-away aft seat expands into a large sun pad and simultaneously frees up additional deck space for movement and entertaining. A well-appointed refreshment center with wet bar and refrigerator keeps service effortless, while the removable cockpit table converts the lounge into a casual dining setting. To ensure comfort in all conditions, the cockpit is air conditioned.

Cabin and interior

Below deck, the salon welcomes with a large L-shaped convertible sofa featuring a lifting seatback that extends into a queen-size berth, creating a restful retreat after a day on the water. Forward, a private stateroom centers on a queen-size vee bed, providing additional dedicated sleeping quarters. Aft, two small sofas face each other and convert into an extra berth, maximizing flexible accommodation for family or guests. The full galley is ready for gourmet moments with an induction cooktop, stainless steel refrigerator, microwave, and a Corian countertop that elevates both durability and design. An enclosed head completes the comfort with a solid-surface vanity, an electric toilet, and a separate shower area to start and end each day refreshed.

Performance and helm

Twin Volvo Penta V8 sterndrive engines, rated at 300 hp each, deliver a poised blend of power and efficiency that turns passages into pleasures and makes spirited sprints feel effortless. Engine hours stand at 500 each (Aug 2025), supported by a Westerbeake generator that keeps onboard systems humming when away from the dock. Precision joystick control simplifies low-speed maneuvering and docking to a fingertip art, while the ergonomic, full-function helm places everything exactly where it should be. A Garmin glass-panel navigation suite with touchscreen interface brings charting, situational awareness, and system data together seamlessly for confident command.

Versatility and technology

Built to adapt at a moment's notice, this 35 Sport Coupe pairs day-boat ease with true overnight capability. An extended, full-beam swim platform features a power-drop underwater section that makes stepping into the sea inviting and simple, and the integrated ladder and freshwater shower streamline every swim. Cockpit air conditioning keeps the social heart of the boat comfortable in varying weather, while modern smart touches—LED cockpit lighting, a touchscreen Garmin navigation system, joystick control, premium sound, and comprehensive climate control—create an intuitive, contemporary boating experience ready for both carefree afternoons and unhurried weekends aboard.

Broker comments

Experience the perfect blend of luxury, performance, and versatility with this immaculate 2020 Regal 35 Sport Coupe—an inspired cruiser that delivers both style and substance in every detail. Lift kept since new, flushed after each outing, and serviced meticulously by Sundance Marine, she presents with the reassuring poise of careful ownership and thoughtful specification. From the retractable hardtop and convertible sun lounge to joystick control, the touchscreen Garmin suite, climate-controlled comfort, and the power-drop swim platform, every element amplifies ease, enjoyment, and confidence on the water. With 500 hours shown on each engine (Aug 2025) and a Westerbeake generator for off grid convenience, she is turn key ready to make your next season exceptional.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
