OVERVIEW

First commissioned in 2019, this 35-foot motor yacht cruiser marries modern lines with reliable seakeeping. Built in fiberglass with composite detailing and shaped on a modified V-hull, she offers a composed, confident motion through a variety of conditions, while twin Volvo Penta sterndrive gasoline engines deliver brisk acceleration and precise maneuverability at the dock. Carefully balanced running surfaces paired with a generous 158-gallon fuel capacity make her equally suited to speedy hops between marinas or economical passages, an ideal scale for owner-operators who prize performance, comfort, and uncomplicated ownership. Based in the United States, she stands ready to refine every weekend afloat with the understated elegance of contemporary motor yachts.

A broad 11-foot beam creates a spacious cockpit and a gracious interior appointed in hard-wearing, low maintenance finishes with the attention to detail expected of premium cruisers. The inside layout features a compact, well-equipped galley opposite a convertible lounge and a private berth that together allow comfortable sleeping for three, complemented by a bright, fully enclosed head for true at-sea convenience. On deck, non-skid fiberglass surfaces, secure passage to the foredeck and an expansive swim platform enhance life at anchor as much as life underway, while a 50-gallon freshwater supply supports relaxed days away from the dock. Elegant, efficient and supremely usable, this 35-footer encapsulates the best of modern cruising—style, capability and ease rewarded at every mile.

DETAILED DESCRIPTION

Boat highlights

This listing is being finalized—please call for further details—and please note that new professional photographs will be available soon. ENDLESS SUMMER is an all freshwater 2019 Regal 35 Sport Coupe finished in a striking black hull and richly appointed with premium options, a vessel that commands attention in any marina. She is powered by twin Volvo Penta V8-300-CE-M engines (135 hrs each) coupled with joystick docking for exceptionally intuitive maneuvering, whether enjoying a spirited cruise or slipping into a tight berth. The cockpit benefits from a power opening sunroof that bathes the space in natural light and fresh air, and a walk through windshield affords secure, convenient access to the foredeck.

Designed for effortless entertaining, weekend escapes, or spontaneous day trips, ENDLESS SUMMER pairs refined comfort with practical upgrades. The cockpit is finished with seagrass flooring and features a teak table for alfresco dining, while the salon is dressed in faux wood flooring for an upscale interior feel. The swim platform is clad in faux teak and integrates an electrically actuated swim step for easy water access, complemented by generous bow sun pads for relaxation. Owners will appreciate the Neutra Salt engine flushing system and the adaptable sliding aft cockpit seating system, plus a screen door in addition to the salon door for enhanced ventilation and comfort.

Electronics and systems aboard support confident cruising and onboard enjoyment: Garmin GPSMAP 7612 chartplotter, Garmin VHF 110, Volvo Autopilot Reactor 40, and a Westerbeke 6.5 kW generator. Leisure amenities include a cockpit TV, cockpit refrigerator, and cockpit grill. We will also consider trades—please contact us to discuss.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.
