OVERVIEW

This Formula 353 Sport FAS³Tech is the kind of high-performance powerboat that commands attention and begs to be driven, a true offshore sport cruiser and luxury speedboat where polish meets exhilaration. Its presence is as refined as its purpose, inviting the helmsman to experience both comfort and performance without compromise.

Beneath the deck, dependable MerCruiser Twin 496 MAG High Output engines (435 hrs & 439 hrs) paired with Bravo X drives provide authoritative thrust and precise handling, turning power into effortless speed. Four-blade stainless props bite into the water while a Halon fire suppression system stands ready in the engine room. Latham hydraulic steering, fingertip K-Planes and trim with mechanical trim indicators, plus Corsa Captain's Call exhaust, keep the captain firmly in command; a freshwater engine flush maintains engine freshness for seasons to come. Comfort and control are improved further by McLeod electric bolsters and footrests for both captain and companion, an upgraded stereo with CD changer, VHF radio, updated Garmin GPS, and a transom shower for convenience at anchor.

At the helm, Livorsi Monster gauges and a digital depth sounder provide clear, immediate readouts, and Livorsi chromed throttles/shifters with in-handle trim place performance adjustments right at your fingertips, marrying instrumentation and ergonomics in a single, purposeful station.

Below, the cuddy cabin embraces you in white UltraLeather seating, and the FAS³Tech layout extends practical luxury with a double bow berth, a sink with pressurized water, a refrigerator, a 50-amp onboard battery charger, and a vacuum head with holding tank and pump-out—features that lend the vessel true dayboat and express cruiser versatility. The triple-stepped hull design rewards the pilot with a composed, dry ride in moderate chop while delivering the agile, fast, and stable performance that Formula hulls are celebrated for, a

refined performance yacht for those who seek both speed and sophistication.

DETAILED DESCRIPTION

Features

Thoughtfully equipped for effortless days afloat, this yacht offers a tailored cockpit cover that shields the helm and seating when the sun is high or the weather turns, creating a calm, protected command area. The navigation suite inspires confidence, uniting a depthsounder, log-speedometer, plotter, GPS and compass with clear cockpit speakers, a dependable radio and VHF for crisp communication, and even a CD player to set the soundtrack to your passage. Below deck, comforts and utilities are equally considered, with an electric bilge pump for dry, quiet operation, a marine head for convenience, a refrigerator to keep provisions fresh, and a battery charger to maintain steady onboard power. On deck, easy living takes center stage with a refreshing cockpit shower, supportive cockpit cushions, a sturdy cockpit table for casual dining, and a secure swimming ladder that makes every swim a pleasure.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
