OVERVIEW

Presenting a comprehensively equipped Cranchi Pellican 36, a sleek motor yacht maintained to an exceptional standard and prepared for the 2026 season; the hull and engines date from 2009 and the vessel is not registered as a pleasure yacht. She is driven by twin Volvo Penta D4 diesels of 300 HP each, engines that have been consistently serviced so the yacht is offered turnkey for 2026. The interior showcases Berloni cabinetry and an Alcantara headliner, with luxury and convenience enhanced by three new televisions (one in each cabin), a premium stereo system, microwave, both indoor and outdoor galleys, and three refrigerators. Climate control is provided by cold air-conditioning and Webasto warm-air heating, while a generator, engine fire-fighting equipment and a water heater add to onboard peace of mind; guest facilities include a separate bathroom with shower. The helm features a Garmin 1223XSV 12-inch touchscreen installed in March 2025 and covered by a two-year warranty, complemented by radar with chartplotter, a Raymarine autopilot, bow thruster, camera system and depth sounder. On deck, blue underwater LEDs illuminate the stern and a new full-enclosure bimini shields the cockpit. Certified for charter for up to 12 guests through 2027, this express cruiser requires no works and is currently ashore in dry dock at Porto Empedocle.
