OVERVIEW

SACS STRIDER 11 SUNDECK – €285,000 VAT paid

Engines: 2 x Volvo 6.2 V8 petrol – 2 x 430 hp

A luxury RIB presented in superb, virtually new condition, she is propelled by twin Volvo 6.2 V8 petrol engines delivering 430 hp each, and was first handed over in July 2021. Used exclusively for private cruising and always kept in covered storage, the boat shows meticulous care; the owner is very motivated to sell and has her ready for immediate delivery. The vessel comes with a complete fit-out and every available option, blending open sport lines with the practicalities of a day cruiser walkaround, and belongs to the premium powerboat category: RIB, day cruiser walkaround, open sport, powerboat premium.

DETAILED DESCRIPTION

Strider 11 Sundeck M/Y India

Specified with a trio of coveted optional packages—the Cruise Package, Electronics Package, and Elegance Package—Strider 11 Sundeck M/Y India elevates capability, comfort, and finish in equal measure, presenting a yacht that is as ready for spirited coastal excursions as it is for refined days at anchor. Beyond these hallmark packages, she is enriched by a retractable assisted gray perforated awning that deploys with ease; a 220 V shore-power system complete with battery charger and dock cable; and a Fusion stereo system with Bluetooth function, complemented by a GL audio upgrade that delivers full-bodied sound through six speakers, one subwoofer, and one amplifier. Navigation and communications are equally assured with a Raymarine Axiom+ 12 Glass Bridge GPS, an Eco module for GPS, a VHF Ray 63 with dual station, and an engine data interface displayed directly on the GPS, ensuring confident passage-making and systems awareness. The helm is defined by a carbon fiber dashboard that emphasizes sporty precision, the cockpit is warmed by subtle courtesy lighting, and the stern is dramatically accented by underwater lights. Underfoot, a solid teak deck with gray threading underscores the yacht's elegance, crowned by a carbon-and-steel sport top that balances style with rigidity, while practical detailing—electric actuators for the stern compartment, a bow thruster, and a 1200-watt inverter—makes every outing effortless. Further amenities include a night-and-day camera that extends situational awareness, a dedicated storage compartment and anchor, a remote control for the winch with chain counter, a complete set of covers for the stand-up console, aft sofa, and aft sunbed, plus a full hull cover that protects the yacht in every berth. Recent care adds welcome peace of mind: new service and engine batteries have just been

fitted; a comprehensive service has been completed covering engine, transmission, services, and zincs; and the bottom has been refreshed with a new coat of antifouling paint, so she presents both cosmetically and mechanically ready to cruise.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
