OVERVIEW

2019 365 Dual Console

A seamless fusion of ocean-going capability, sportfish practicality, and sumptuous day-boat comfort, this exquisitely outfitted 2019 365 Dual Console commands attention in the luxury dual console segment. Powered by triple Yamaha 300HP outboards with only 410 hours, she offers Yamaha joystick docking and a bow thruster to ensure confident handling at slow speeds. Meticulously maintained, she spent years under indoor storage and has since enjoyed seasonal use between Florida and New Jersey, always sheltered when idle and serviced on schedule by a trusted local dealer.

Designed for both cruising and offshore adventures, she premieres with a Fischer Panda generator, climate-controlled helm and cabin, upgraded electronics, refrigeration, and an electric aft sunshade, delivering a remarkably comprehensive package. Standout features include triple Yamaha 300HP outboards with just 410 hours, Yamaha joystick control, bow thruster, a Reverso engine flush system, Fischer Panda generator, Glendinning 50-amp shore power with powered reel, dual 16" Garmin displays, autopilot, open-array radar, SIONYX night-vision camera, premium JL Audio sound system, helm and cabin air conditioning, powered aft sunshade, Kenyon electric grill, cockpit refrigerator, chilled plates within the portside aft-facing seat, removable fore and aft tables, electric windlass, aft mooring cover, full bow cover, and removable Isinglass side panels. This refined blend of performance, versatility, and amenities makes this 36-foot coastal cruiser and family fishing boat turnkey and ready to elevate every weekend on the water.
