OVERVIEW

Technohull's 38 Grand Sport transforms offshore adrenaline into sculpted form, a deep-V offshore performance RIB that marries blistering speed with a striking, forward-thinking silhouette. Capable of 103 knots, she pairs resolute stability with razor-sharp control at the limits, her taut, athletic lines enclosing a configurable center-console dayboat deck that balances practicality and panache. A carbon fiber hardtop shelters a weather-sealed helm, while shock-mitigating seats and advanced electronics make navigation effortless; the Dynastream hull ensures smooth, efficient running and broad sunpads provide comfort underway or at anchor. A luxury powerboat, chase boat, and superyacht tender for those who prize speed and versatility.

DETAILED DESCRIPTION

Technohull 38 grand sport: performance meets luxury

The Technohull 38 Grand Sport stands as a testament to modern yacht innovation, delivering a perfect blend of thrilling performance and refined luxury that excites both the senses and the imagination. At its core is the cutting edge Dynastream hull, an engineering breakthrough that guarantees outstanding stability, efficiency and seaworthiness while pairing with potent outboard engines to unleash blistering acceleration and a top speed of up to 103 knots, placing it among the fastest vessels in its class. Whether easing into a coastal cruise or charging across open water, the ride remains composed, predictable and remarkably smooth, supported by a sleek carbon fiber hardtop that combines stylistic finesse with practical protection. The modular deck layout invites personalization for entertaining, sunbathing or fishing, while a spacious cockpit with plush ergonomic seating and generous sunbeds fore and aft ensures comfort even at high speed; optional teak decking and sophisticated lighting further elevate the onboard atmosphere, underscoring meticulous attention to detail. Advanced technology is woven through every system, from state of the art navigation and control integrated at a digital helm station with intuitive interfaces and high resolution displays to a premium sound system that enriches every voyage, while integrated cooling and storage solutions and a generous fuel capacity extend your offshore autonomy. With a length overall of 11.6 meters (thirty eight feet), a beam of 3.1 meters and flexible twin or triple outboard configurations, the 38 Grand Sport adapts effortlessly to thrill seeking sprints and relaxed family adventures alike, offering fuel efficient performance and intelligent deck design that maximizes usable space without compromising movement or

comfort. More than a yacht, the Technohull 38 Grand Sport is an experience that marries adrenaline-charged capability with lavish amenities to set a new standard in its category; contact us today to arrange a private viewing or a sea trial and experience the thrill for yourself.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
