OVERVIEW

Discover the Elegance of the 2009 Luxury Yacht

Step aboard this exquisite 36-foot masterpiece, a true gem in the world of luxury yachts, currently located in the United States. This stunning vessel, built in 2008, is a testament to timeless design and superior craftsmanship, offering an unparalleled experience on the water. Whether you're looking to buy a yacht or explore yacht sales in the current boat location, this yacht for sale is a perfect choice for those who appreciate the finer things in life.

With a beam of 13 feet and a draft of nearly 8 feet, this yacht boasts a spacious and stable platform, ideal for both leisurely cruises and adventurous voyages. The deep Vee hull configuration, crafted from a blend of fiberglass and plastic, ensures a smooth and comfortable ride, even in challenging conditions. The deck, also made of durable fiberglass, provides a solid foundation for all your on-deck activities.

Powered by three robust Yamaha outboard engines, this yacht delivers impressive performance and reliability, making it a standout in the category of outboard motor yachts. The engines run on gas/petrol, offering a perfect balance of power and efficiency, with a generous fuel capacity of 370 gallons to keep you exploring the open waters for longer.

Inside, the yacht is designed with elegance and comfort in mind. The interior, though not attributed to a specific designer, exudes a sense of luxury and sophistication. The single head is thoughtfully appointed, ensuring convenience and privacy for you and your guests. With a water capacity of 54 gallons, you'll have ample supply for your journeys.

This yacht is not just a vessel; it's a lifestyle. Whether you're hosting an intimate gathering or embarking on a solo adventure, this yacht offers the perfect setting. Its sleek lines and modern amenities make it a standout choice for those seeking yacht sales in the current boat location.

Don't miss the opportunity to own this exceptional yacht. It's more than just a boat; it's a statement of elegance and adventure. Contact us today to learn more about this yacht for sale and take the first step towards making it your own.

DETAILED DESCRIPTION

Section name

This Grady-White presents a rare opportunity to own an exceptionally well-cared-for vessel with many thoughtful upgrades. "Bona Vita" features custom matching cabinetry, creating abundant storage space throughout, while oversized bow cushions and a custom cockpit table with a folding sunshade capable of covering the entire cockpit ensure every foot of the vessel is optimized for comfort. "Bona Vita" has everything a serious angler needs to succeed while still offering comfortable and spacious accommodations for longer outings. Standout features such as a water maker and an included continental trailer ensure this is the best-equipped 360 Express by a long shot. "Bona Vita" has been stored under cover on a lift by her exacting owner and relocated to South Florida for a quick sale!

Foredeck

The foredeck of this yacht is a masterclass in design and functionality, featuring fiberglass non-skid decking that ensures safety and stability underfoot. At the heart of the anchoring system is a Lewmar anchor windlass, complete with chain and rode, which can be effortlessly controlled via remote switches located at both the helm and the bow. The bow pulpit is equipped with a roller, and the area is further enhanced by stainless steel bow cleats and a robust stainless steel bow rail, providing both utility and elegance.

For navigation, international nav lights are strategically positioned, while custom bow cushions with extra thick padding offer unparalleled comfort for lounging. The deck is fitted with two low-profile acrylic hatches, allowing natural light to flood the interior spaces. A PVC rub rail with stainless steel

inserts adds a touch of durability and style.

The foredeck is also equipped with a welded aluminum windshield, seamlessly connected to the hard top with an Eisenglass connector. The electronically actuated windshield center vent and self-parking pantograph windshield wipers, complete with washers, ensure clear visibility in all conditions. Midship, you'll find additional stainless steel cleats, rounding out a foredeck that is as practical as it is luxurious.

Hardtop

The hardtop of this yacht is a marvel of modern engineering, crafted from durable fiberglass to provide both protection and style. Equipped with a Furuno radar capable of reaching up to 48 miles, it ensures you are always aware of your surroundings. The hardtop also features a convenient storage net, recessed spreader lights, and stereo speakers, enhancing both functionality and entertainment options.

For fishing enthusiasts, the hardtop is outfitted with six horizontal and six vertical rod holders, providing ample space for all your gear. Two low-profile acrylic hatches allow for ventilation and natural light, while a custom folding sunshade with white fabric and aluminum piping offers respite from the sun. Additional features include a teaser reel, dual VHF antennas, and a Furuno GPS antenna, ensuring you are well-equipped for any journey. A Flir camera and ACR search light enhance safety and navigation, while the Lee Pro Series 24' outriggers with spreaders make this yacht a formidable choice for serious anglers. This hardtop is not just a structural element; it is a comprehensive system designed to elevate your yachting experience.

Helm deck

The helm deck of this yacht is designed for both comfort and functionality,

featuring a powerful 16,000 BTU air conditioning system to keep the area cool and inviting. The Pompanette helm chair is both vertically and horizontally adjustable, complete with a folding footrest for added comfort. On the port side, a lounge seat offers a relaxing space, while the starboard side boasts a lounge seat with convertible configurations and a hideaway folding table, perfect for socializing or enjoying a meal.

Storage solutions are thoughtfully integrated, with a footrest that includes hinged storage, covered chart storage to starboard, and recessed fire extinguisher storage. The helm deck is illuminated by overhead LED lighting, and two low-profile acrylic hatches provide natural light and ventilation. A full wrap-around Eisenglass enclosure with side vents and three roll-up sections aft ensures protection from the elements while maintaining visibility.

For those who enjoy fishing, horizontal rod storage is conveniently located under the hardtop. Access to the cabin is through an acrylic sliding door with a lock, ensuring security and ease of use. Additional storage is available with a net outboard to port. The entertainment system is top-notch, featuring four Bose stereo speakers and two Speaker Craft stereo speakers, all Sirius weather and music ready, providing the perfect soundtrack to your journey.

Helm equipment

The helm equipment of this yacht is a testament to advanced maritime technology and thoughtful design. At the heart of the helm is an electromechanically operated electronics enclosure, providing seamless access to the array of sophisticated instruments. The Yamaha digital screen and four engine gauges offer precise monitoring of the vessel's performance, while the dual Furuno Navnet 1934 C VX2 GPS units ensure accurate navigation.

For depth and fish finding, the Furuno sounder DFF1 with a 1 kW transducer is indispensable, complemented by the Furuno 48 Mile Radar for comprehensive situational awareness. The Simrad AP26 Autopilot allows for effortless course

management, and the Flir Night Vision enhances safety during nighttime operations. The ACR searchlight control and Lewmar windlass control add to the ease of handling, while the Lewmar 6 HP bow thruster provides precise maneuverability.

Communication is facilitated by the iCom VHF with a microphone, and entertainment is delivered through the Fusion stereo with an amplifier. The Yamaha binnacle control and three ignition switches ensure smooth engine operation, supported by a panel with twelve rocker switches for various functions. Safety and convenience are prioritized with stainless steel grab rails, hydraulic trim tabs with indicators and retractors, and a compass with a light. The helm is completed with a 15-inch stainless steel steering wheel featuring a tilt and speed knob, an emergency engine shut-off, and a locking storage compartment below the helm. This comprehensive suite of equipment ensures that every journey is both enjoyable and secure.

Cabin

The cabin of this yacht is a sanctuary of comfort and functionality, accessed by descending three fiberglass steps. To port, the galley offers ample storage space, complete with fridge and freezer drawers, ensuring all your culinary needs are met. To starboard, the enclosed head features a separate shower area and a mirrored vanity, providing a private and convenient space. Aft of the head, a double berth awaits, equipped with a TV, custom teak cabinetry, and a privacy curtain for a restful retreat.

Forward of the head, the dinette area is located to starboard, featuring a beautifully finished teak table that converts into an additional berth. This area also includes custom cabinetry for extra storage. Moving further forward, the V berth area is adorned with matching custom teak cabinetry on both port and starboard sides, with a curtain ensuring privacy for each berth.

The cabin is equipped with a lockable sliding door with a separate screen door, and a powerful 16,000 BTU air conditioning system to maintain a comfortable climate. The lighting is versatile, with variable lighting options, reading lamps, and illuminated etched glass in the teak bulkhead. Entertainment is provided by flat-screen TVs for the V berth, dinette, and aft berth, as well as a stereo/CD system with MP3 and auxiliary audio connections.

Additional features include a Corian shelf with drink holders behind the dinette, forward low-profile acrylic hatches with retractable screens and shades, and rod storage racks in the aft berth. The cabin also boasts a skylight, vinyl surface dinette surround cushions, and a teak dinette table with an adjustable stainless steel base that seats four and converts to a berth. Storage is abundant, with molded-in fiberglass compartments under the berths and dinette, teak drawers under the forward berth, and a teak cedar-lined pullout hanging closet modified with shelves for pantry storage.

The cabin is completed with a water level indicator gauge, main AC/DC breaker panel, accessory outlets in both 12V and 110V duplex formats, and a teak and holly sole, creating a warm and inviting atmosphere for all your adventures.

Galley

The galley of this yacht is a chef's dream, combining elegance and practicality with its Corian countertops that provide a sleek and durable workspace. The electric glass top stove, equipped with two burners, offers modern cooking convenience, while the freezer and refrigerator drawers ensure ample storage for all your culinary essentials. A microwave convection oven adds versatility, allowing for a range of cooking options.

The galley is further enhanced by two stainless steel sinks set into the Corian counter surface, providing both functionality and style. Above the galley, a fiberglass cabinet with teak and tambour doors offers additional storage, while below, teak drawers and doors provide easy access to kitchen necessities. A

teak pullout trash container storage adds to the galley's efficiency.

The flooring is finished with a teak and holly sole, adding a touch of classic nautical charm to the space. This well-appointed galley ensures that every meal preparation is a pleasure, making it an integral part of the yacht's luxurious living experience.

Head

The head of this yacht is a well-designed and functional space, offering an enclosed and ventilated area for privacy and comfort. The door features a full-length mirror, adding a touch of elegance and practicality. Inside, the shower area is equipped with a deluxe curtain and a teak floor drain cover, providing a luxurious bathing experience.

The sink is set into a Corian counter surface, combining style with durability. Below the sink, a fiberglass cabinet offers convenient storage, complemented by two teak shelves for additional space. The VacuFlush marine head is connected to an 18-gallon holding tank, ensuring efficient waste management. A vanity with a mirror and lamps enhances the functionality of the space, making it easy to freshen up at any time. The fiberglass sole adds to the durability and ease of maintenance, making this head a perfect blend of luxury and practicality for any voyage.

Cockpit

The cockpit of this yacht is a spacious and versatile area, boasting an expansive 96 square feet of self-bailing space. A custom folding sunshade can be expanded to cover the entire cockpit, providing ample protection from the sun. The fiberglass nonskid decking ensures safety and stability underfoot, while aft-facing seating to port and starboard, complete with stainless steel folding footrests, offers comfort and convenience.

A removable custom cockpit table adds to the versatility of the space, and toe rails to port and starboard enhance safety. The cockpit is equipped with bolsters for added comfort, a recessed freshwater shower, and LED lighting under the gunwales for ambiance. A 55-quart port side refrigerator/freezer cooler with a digitally controlled thermostat keeps refreshments at the perfect temperature.

For fishing enthusiasts, the cockpit features a reinforced area for a fighting chair, a 291-quart fish box, and a 48-gallon starboard insulated livewell with a full column distribution inlet and a powerful 1100 GPH pump. The rigging station includes a freshwater sink, pullout faucet, insulated bait box, and lockable drawers, making it a fisherman's dream.

Additional amenities include rod holders on the gunwale, horizontal rod storage racks, a fold-away aft bench seat with a cushion, and drawers under the starboard seat. Aft fender storage, a removable transom storage bin, and a fiberglass transom door add to the functionality of the space. Stainless steel stern cleats, pressurized fresh/raw water washdown with a hose and remote switch, and accessory outlets in both 12V and 110V formats ensure convenience and ease of use.

The cockpit is completed with underwater lights, providing a stunning visual effect and enhancing the overall ambiance of this exceptional yacht.

Electrical / Mechanical

The electrical and mechanical systems of this yacht are designed to provide reliability and efficiency, ensuring a seamless experience on the water. At the heart of the power system is an 8 kW diesel generator with a 23-gallon fuel capacity, providing ample energy for all onboard systems. The yacht is equipped with five batteries and a 12V battery charger system, ensuring that power is always available when needed.

Dockside power is facilitated by a galvanic isolator and 30 amp service, offering a secure and stable connection. The yacht features an 11-gallon water heater, providing hot water for comfort and convenience. Climate control is managed by two 16,000 BTU air conditioning units, one at the helm and another in the cabin, ensuring a comfortable environment throughout the vessel.

Fuel capacity is substantial, with a total of 370 gallons distributed across two tanks, one holding 190 gallons and the other 180 gallons, allowing for extended journeys without frequent refueling. The hydraulic tilt steering system with Teleflex power assist offers precise and effortless control.

For water independence, the yacht is equipped with a Katadyn 160e water maker, ensuring a fresh water supply during long voyages. Safety is paramount, with a Fireboy MA2-100-FE241 3.4 lb. fire suppression system installed for peace of mind. Additionally, the yacht comes with a Continental aluminum trailer with brakes, providing easy transport and storage options. This comprehensive suite of electrical and mechanical features ensures that every journey is both comfortable and secure, making this yacht a reliable companion for all your adventures.
