OVERVIEW

2018 Grady-White Canyon 376

LOW HOUR YAMAHA 350hp

This Grady White 376 Canyon presents an exceptional chance, having been lightly used and competitively priced for a quick sale. Outfitted with triple Yamaha 350 hp motors, which are under warranty until June 10, 2026, this boat provides the experience of a new vessel at a second-hand cost. Whether you're gearing up for an exciting offshore adventure, a peaceful intercoastal cruise, or a pleasant afternoon at the sandbar, this yacht is fully equipped. The spacious cockpit is ideal for avid fishermen to arrange their perfect fishing setup and tackle even the toughest catches. At the same time, the bow boasts a plush sun-pad that seamlessly converts into a comfortable dinette with a table, perfect for sipping evening cocktails. For those in search of a weekend escape, this Grady White features a generous cabin under the center console, equipped with a berth, head, sink, and microwave.

This yacht is an outstanding offer! It merges all the modern amenities of a cruiser with the practicality and design of a center console, making it a top choice in the current yacht market. Seize the opportunity to own a yacht that harmoniously blends luxury and performance!

DETAILED DESCRIPTION

Section name

This yacht represents the pinnacle of contemporary marine innovation, effortlessly combining a range of sophisticated features to deliver an unparalleled boating experience. Central to its navigation prowess is the Garmin Touch Screen 16" 8616XSV GPS map, offering precise and user-friendly control. Enhancing this is the Garmin Auto Pilot GHC 20 with Reactor 40, providing smooth steering and course management. For those seeking top-tier radar capabilities, the Garmin Fantom 54 Open Array is included, ensuring the clearest view of your surroundings.

Safety and visibility are further elevated by the Flir M232 IR Camera, offering infrared imaging for night-time navigation. The yacht is fitted with Yamaha Digital gauges, delivering real-time data and diagnostics at your fingertips. Entertainment is a priority, with a Fusion Stereo system featuring additional speakers and a subwoofer, ensuring premium sound quality throughout your voyage.

Fueling your adventures is the Fischer Panda Genset PMS5000, with only 146 hours of use, guaranteeing a dependable and efficient power supply. Comfort is key, with Dometic AC/Heat systems installed in both the cabin and helm, providing climate control in any weather. The transom includes a refrigerated fish box cooler, powered by a Dometic 120v chiller, ideal for keeping your catch fresh.

Practical elements include a raw water washdown system for easy maintenance, and a Fusion Stereo with a helm remote for convenient operation. The yacht is equipped with Bennett Trim Tabs for optimal stability and performance. The cockpit is shielded by a hardtop with a full enclosure and new side curtains, offering protection from the elements.

Anchoring is simplified with the Lewmar Electric Anchor Windlass, and maneuverability is enhanced by the Lewmar Bow Thruster. For fishing enthusiasts, Lee Outriggers are provided, and an LED light bar across the forward end of the hardtop ensures visibility during night-time outings. This yacht is a perfect fusion of luxury, technology, and practicality, crafted to satisfy the most discerning mariner.

Description

The 2018 Grady-White Canyon 376 is an extraordinary craft that seamlessly blends opulence, power, and adaptability, making it a perfect option for a range of nautical excursions. This vessel is driven by three Yamaha 350 hp engines, which have seen minimal use and are under warranty until June 10, 2026. Essentially a new boat at a pre-owned price, it offers outstanding value for those in search of a high-performance craft.

Whether you're setting out for an offshore Canyon adventure, a tranquil intercoastal journey, or a leisurely day at the sandbar, this Grady-White is fully equipped to meet your needs. The expansive cockpit is tailored for the dedicated angler, providing plenty of space to arrange the perfect setup and reel in even the most challenging catches. At the same time, the bow area includes a plush sun-pad that effortlessly transforms into a cozy dinette with a table, ideal for savoring an evening drink.

For those seeking a weekend escape, the Grady-White Canyon 376 features a roomy cabin beneath the center console. This space is outfitted with a berth, head, sink, and microwave, offering all the contemporary comforts required for a pleasant stay. This boat is genuinely priced to sell, combining the modern amenities of a cruiser with the design and fishing prowess of a center console.

Overview

The 37-foot Canyon 376 center console is an exceptional saltwater sportfishing vessel, a true masterpiece in its class. It distinguishes itself with meticulous attention to detail in ergonomics, functionality, fit and finish, and overall performance. The cabin console elevates comfort to a new level, while Grady's exclusive SeaV2 ride remains unrivaled in the industry.

Safety is paramount, featuring two automatic bilge pumps with a combined capacity of 3000 GPH, basic flotation, and a low-profile bow rail made of 316 stainless steel. The Captain Grady digital systems and operations guide is accessible on iPad and iPhone, ensuring all necessary information is readily available. The cockpit includes toe rails, a water-impervious composite stringer system and transom, and multiple grab rails for added security. Additional safety elements include a fire extinguisher holder, lean bar grab rails, a nonskid fiberglass liner, and a self-bailing cockpit with six drains. Stainless steel through-hull fittings complete the comprehensive safety package.

The cockpit and deck are crafted with a 100% hand-laid hull and deck, featuring an anchor windlass with remote controls at the helm and windlass, a battery charger, and a battery select switch. A bow thruster enhances maneuverability, while flush mount pop-up cleats and cockpit bolsters contribute to the sleek design. The cockpit also includes a recessed freshwater shower, blue LED lights, and a cutting board. Deck hardware is constructed from 316-grade stainless steel and is through-bolted for durability. Dockside power with a galvanic isolator, stainless steel drink holders, and an engine flush system with hose attachments for each engine are also included. The boat is pre-rigged at the factory for engines and features insulated fish boxes with overboard drains, forward bolsters, and a 390-gallon fuel tank. A 5 kW diesel generator with a 23-gallon fuel capacity ensures power is available when needed. The Yamaha Helm Master control system with Set Point, hydraulic trim tabs with indicator and retractor, and an integrated outboard mounting

system with a swim platform and ladder are all part of the package. International LED lighting, numerous rod holders and storage racks, a high-density PVC rubrail with a stainless steel insert, and fold-away aft bench seating with cushions complete the deck features.

The console is equipped with various accessory outlets, including 110V duplex, 12V, and 5V USB ports. A compass, stainless steel drink holders, and a footrest add to the convenience. The forward console seat is molded and cushioned for comfort, and the steering is hydraulic tilt with power assist. The steering wheel is crafted from 316-grade stainless steel with a knob for easy handling. The stereo system includes an AM/FM tuner, MP3 auxiliary audio connections, an amplifier, Bluetooth, remote control, and fold-down storage, with speakers located in the bow, cabin, cockpit, and T-top. Storage is ample, with an electromechanically operated electronics enclosure, a lockable acrylic console door, and under-footrest storage. The integrated painted aluminum T-top frame includes a radio box, hatch, storage net, LED spreader lights, tri-colored LED recessed lights, outrigger plates, stereo speakers, and wing curtains. A solar-powered ventilator, water level indicator gauge, tinted frameless acrylic window, tempered glass windshield integrated with the T-top, freshwater windshield washer, and windshield wiper complete the console features.

Inside the console, you'll find a 5V USB port, 6,000 BTU air conditioning with two outlets at the helm, and a forward cushioned berth with an electrically adjustable bolster. A carbon monoxide monitor, cherry wall with mirrored storage cabinet, magazine rack, and rigging access add to the interior's functionality. The composite cherry and holly sole, stainless steel drink holders, and a stand-up head area with a shower, storage drawer, sink with Corian counter surface, and VacuFlush head with a fold-down lid and cushion provide comfort and convenience. The head also includes a 10-gallon holding tank and pump-out. Additional features include a helm access door with light, dome and LED recessed lighting, a tinted glass skylight, a microwave, mirror, refrigerator, vertical lockable rod storage, aft bulk storage, and storage pockets.

The deluxe lean bar is equipped with stainless steel drink holders, fold-down footrests, knife and pliers holders, and a 41-gallon insulated raw water livewell with a see-through lid, light, full column distribution inlet, and overboard drain. A lure holder, lean bar station with freshwater sink, and a 164-quart cooler are also included. The lean bar features rod holders and seating with Command Elite horizontally adjustable contoured helm chairs with deluxe cushioning and flip-up bolsters. This Canyon 376 is crafted to deliver an unparalleled boating experience, merging luxury, performance, and safety in one exceptional package.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
