# DETAILED DESCRIPTION

---

## Remarks

---

A stable, fast catamaran-style center console equally at home inshore or offshore, engineered for serious fishing yet effortless for a leisurely day on the water. Thoughtfully equipped with a side dive-boarding door, triple helm seating and a trailer, it also features FLIR thermal night vision for confident night passages. This New England boat has been meticulously maintained and stored under a tent and on a lift. Propulsion comes from four 2022 300 HP Mercury Verado gasoline outboards showing approximately 300 hours each, all backed by extended engine warranties through October 2026.

## Electronics

---

The helm is anchored by two Garmin 8616 chartplotter displays, complemented by a Garmin Fantom 24 radar, a Simrad Go 12 multi-function display, a Garmin GHP Reactor autopilot, and the Garmin GXM 54 SAT WX and radio module. FLIR thermal night vision makes night passages effortless, while communication and safety are enhanced by a Standard Horizon VHF with AIS. Entertainment is delivered through a JBL MM100 Audio Media Master stereo driving two JBL ten-inch subwoofers and six JBL M880 speakers.

## Options

---

Delivered with a 2022 Evolution three-axle trailer, the boat shows off a custom Whisper Gray gel coat hull color paired with a black rub rail, a black powder-coated hard top tower, and a matching Whisper Gray hard top. Night and pre-dawn runs are illuminated by a Rigid MDS 50" curved light bar and five LED spreader lights. The hardtop integrates six rod holders, a three-panel

polycarbonate enclosure, and two-panel polycarbonate wings for protection and visibility. Anglers will appreciate fourteen rod holders along the gunwale sides and ten heavy-duty swivel rod holders, a livewell with a seachest and three pumps, and four electric reel outlets. Comfort and control come from triple custom Liebroc helm chairs, a Delux back-to-back helm seat with a built-in cooler, full coaming bolsters, and a large coffin box with backrest, while a rear-facing tackle station upgrade keeps gear organized. Boarding and water access are effortless via a hull side door with ladder and a dedicated dive ladder. Additional features include a Rigid rubrail with stainless insert, two Lumitec Seablaze underwater lights, fresh-water washdown and hose coil kits for both fresh- and salt-water washdowns, a deluxe electric head in the console, an in-hull anchor windlass with custom anchor and bracket, a battery charger with galvanic isolator, Ultra Jr bilge pump float switches, and a Richie Compass at the helm.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
