OVERVIEW

Description

Finely built trawler with timeless Downeast picnic-boat lines. Fitted with the amenities and refinements expected of a luxury motor yacht, she is at ease whether cruising the Delta, calling on marinas around San Francisco Bay, or entertaining family and friends in elegant comfort. A superb coastal cruiser and pilothouse yacht well suited for liveaboard use, she is presently moored in a covered slip in Napa. The slip may be transferable and offers potential upgrade options.

Описание

Тщательно построенный траулер с неизменными линиями Downeast picnic boat. Оснащён удобствами и деталями отделки, свойственными роскошной моторной яхте; он одинаково уверенно чувствует себя как при круизах по Дельте, так и при заходах в марины Сан Франциско Бей или при приёмах семьи и гостей в изящной обстановке. Превосходный прибрежный крейсер и пилотхаус яхта, подходящая для проживания на борту, в настоящее время находится в крытом слипе в Напе. Стояночное место может быть передано новому владельцу и имеет варианты для возможного апгрейда.

DETAILED DESCRIPTION

Accommodations

The roomy, family-oriented cockpit provides generous seating for all aboard, anchored by a wide aft bench and a surrounding U-shaped lounge around a cocktail table. Forward are two leather swivel chairs — the helm and the companion — that offer comfort and excellent sightlines. A sliding entry door opens to the main salon with roughly seven feet of headroom, where a full galley, an inviting dinette and a spacious V-berth are complemented by an enclosed head with shower. Carefully planned for relaxed weekends or longer passages, this motor yacht balances comfort and practical layout with timeless cruiser character.

Deck

Deck equipment makes anchoring and marina duties straightforward, with an anchor davit, a Maxwell electric anchor windlass and a stainless steel Bruce anchor, all protected by a stout one-and-one-quarter-inch stainless bow rail. The cockpit can be fully enclosed with canvas, and the teak cockpit deck complements the teak swim platform, which also carries a propane bracket. A washdown pump and a transom shower simplify rinsing off after swimming or anchoring, and folding Marinium cleats complete a deck arrangement designed for confident handling and refined coastal cruising.

Interior

Interior volume offers about seven feet of headroom. The galley includes a two burner electric stove, refrigerator and a large stainless steel sink, all supplied with pressurized hot and cold water. Comfort is provided by an Espar

diesel heater (currently non operational) and an air conditioner (currently non operational). An integrated entertainment system with television handles onboard media, while a fully enclosed head with an electric toilet and shower brings home like convenience to life aboard this capable cruiser.

Electrical/electronics

The helm and systems package includes two ICOM VHF radios, a Richie compass, Furino NavNet radar and a Furino chart plotter with radar, all integrated with a Raymarine autopilot to ease passagemaking. Electrical distribution is managed by AC/DC panels, a thirty amp shore power inlet, a battery charger and new batteries, with a generator available for off dock power. Practical onboard aids include two Tank Watch monitors, a Fireboy automatic engine extinguisher, a Vetus bow thruster, a Volvo electric shifter and hydraulic trim tabs, and connectivity is supported by a Goldstar Qualcomm satellite phone.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
