OVERVIEW

Impeccable Condition. Freshly Painted Hull. Joystick Control. Minimal Engine Hours. Engine Warranty Valid Until 06/03/2026. Perfectly poised for aquatic adventures ~ Initial details available, more to follow. Reach out now to arrange an exclusive viewing!

In a reimagined version inspired by the 12.5, the Leader 10.5 Series 2 takes the place of its predecessor from five years ago. This remarkable yacht boasts a brand-new hull design, with the entire structure now crafted using vacuum-bag resin infusion, enhancing both strength and rigidity for this sport yacht.

Continuing our innovative approach, the 10.5 incorporates many design and comfort features from its larger sibling, the 12.5. The forward cockpit now includes three integrated chaise lounges, offering secure and comfortable seating whether cruising or anchored. At the stern, the cockpit provides exceptional adaptability, catering to family outings or romantic getaways. The outdoor galley, positioned just behind the helm, faces the cockpit seating and includes a refrigerator, electric grill, sink, and either a livewell or extra storage. Optional fold-down benches on either side form a U-shape for entertaining. A standout feature of this Leader 10.5 is the standard opening terrace on the port side, complete with an optional ladder and guardrails, making it an ideal spot for diving into the water. Its expansive, stylish, and fully equipped T-Top offers shade and functionality for a perfect day on the water.

When at the helm, the Leader 10.5 offers a command center with three individual seats, each with bolsters and armrests for ultimate comfort. The dashboard can accommodate up to two 12-inch Garmin displays, ensuring you have all controls within easy reach.

Below deck, the cabin is bathed in natural light through large windows. Aft, there is a sleeping area that can be open or closed off from the rest of the cabin. Forward, the traditional breakfast nook transforms into a V-berth with a

privacy curtain. For added comfort, the yacht can be equipped with air conditioning and a generator, ensuring a cool interior on warm summer days or nights.

Explore yacht sales in the current boat location and seize the opportunity to buy a yacht that promises luxury and adventure.
