OVERVIEW

Kashmir, a 2003 Hinckley picnic boat EP at 36 feet, is a beautifully kept, extensively optioned, single-owner yacht that has spent her entire life in the pristine Great Lakes and has always been wintered in temperature-controlled indoor storage. Presented exceptionally well with moderate engine hours and consistent professional care, she is genuinely turnkey for her next owner.

Recent service underscores her readiness: all fluids were recently changed and routine maintenance is fully current; the jet drive was completely rebuilt with genuine OEM parts within the last 100 hours; the hull has been freshly waxed and the teak decks professionally cleaned. Following water damage in 2010, she was professionally repaired and serviced by Hinckley, ensuring confidence in reliability. She is offered with a custom triple-axle trailer.
