OVERVIEW

The long-term owners have meticulously cared for this yacht, ensuring it remains in pristine condition. Having recently moved to the east coast, they are now offering this exquisite vessel for sale. The Sea Ray 360 Sundancer, a standout in 2003, boasts sleek design and top-tier amenities, blending performance with luxury. Its deep-V hull ensures a smooth ride, perfect for the waters of Southern California. The yacht's moderate beam offers a spacious layout with ample storage, an integrated entertainment center featuring three flat-screen TVs, a luxurious Ultraleather lounge, and generous headroom. A two-part pocket door now provides privacy for the forward stateroom, while the salon sofa and mid-cabin lounge easily convert into double berths, enhanced by an added mid-cabin mattress for extra comfort. The helm features a bucket seat with a flip-up bolster for standup navigation, alongside a forward-facing two-person seat for optimal viewing. Engine, V-drive, and generator access is superb, with the entire cockpit floor lifting hydraulically for full access. Additional amenities include A/C and heating, comprehensive radar, SAT TV, a bow sun pad, extended swim platform, underwater exhaust, transom storage, and central vacuum. The spacious cockpit is equipped with a wet bar, refrigerator, custom teak table, camper canvas, and pull-out shower. Powered by low-hour (650-655) MerCruiser 370hp V-drive engines, the 360 Sundancer cruises comfortably at 20-22 knots, reaching speeds over 30 knots. Currently located at the Hyatt Regency on Mission Bay, this yacht is a must-see for discerning buyers looking to purchase a yacht in this prime location.
