OVERVIEW

Experience refined cruising aboard this 2022 Sea Ray 370 Sundancer, an attractively presented express cruiser and sport yacht berthed in Highland Beach, FL that fuses coupe-inspired lines with weekend-ready accommodations for an elevated coastal lifestyle. Three Mercury 300 V8 outboards deliver a combined 900 horsepower, providing brisk acceleration and confident handling whether carving through open water or easing into a downtown slip; Sea Ray's precision engineering is evident in the Dynamic Running Surface, and a Seakeeper gyrostabilizer significantly reduces roll for an exceptionally composed, comfortable ride. The vessel's Horizon Gray hull is set off by a black-painted fiberglass hardtop, while Stone-tone upholstery and Gray SeaDek underfoot create a contemporary, welcoming cockpit environment; protection and seasonal flexibility come from an extended sunshade, a full coupe enclosure and custom coupe covers that shield the interior when the yacht is not in use. Entertaining is effortless with a cockpit refrigerator, built-in grill and an elegant teak cockpit table, complemented by a matching teak table at the bow for relaxed alfresco dining; onboard entertainment is upgraded with premium audio and Sirius satellite radio, and an RGBW LED lighting package crafts atmosphere for evening gatherings. Inside, the interior benefits from the Arbor wood upgrade, a discrete mid-cabin with a dedicated TV and opening portlights that introduce natural light and ventilation, while practical systems include a macerator with seacock interlock, a stainless steel anchor for reliable holding, thoughtfully located docking lights and a spotlight for low-light arrivals. The helm is appointed with a dual digital dash that integrates radar and intuitive navigation, and the electronics suite is completed by a cabin handheld VHF and a Glomex TV antenna. Lift-kept since new with no bottom paint, this 370 Sundancer has been carefully maintained and shows like new; the triple Mercury 300 V8s have approximately 195 hours and the 200-hour service was just performed for added reassurance. Bow and

cockpit filler cushions quickly convert seating into generous sunning areas, and a flag pole with base provides a classic finishing touch. Ownership is enhanced by MarineMax support—streamlined financing and insurance solutions, expert guidance and instructional classes to help you fully enjoy your sport cruiser. Contact the listing broker to schedule a private showing; this offsite vessel is available for inspection.
