OVERVIEW

ORYX 379 — moored in Ibiza, Spain — presents itself turnkey and fully equipped, a flagship spec sport cruiser available now. Propelled by triple 300 hp engines, this ORYX 379 arrives with a comprehensive options package and sharply competitive pricing, and a full engine service plus fresh antifouling will be completed for the next owner.

A marriage of bold aesthetics and advanced naval engineering, the yacht wears Gulf Craft's craftsmanship with the agile lines of a contemporary express cruiser, creating a vessel equally inviting to first time boaters and seasoned captains. Her near plumb bow and purposeful profile announce a performance motor yacht that balances power and poise, an elegant yet robust luxury powerboat built for offshore passages as well as spirited day trips and relaxed weekending.

Comfort and systems are specified to flagship standards: full air conditioning, onboard generator, twin 18" Garmin touch screen navigation displays, suspension helm seats for seakeeping comfort, and a premium JL Audio sound system, among numerous other options. Ready to step aboard and go, this ORYX 379 combines megayacht pedigree with express cruiser DNA for a refined, capable, and immediately usable yachting experience.

DETAILED DESCRIPTION

Features

Powered by three Mercury 300hp CXL DTS Pro XS V8 outboards, this performance-driven yacht surges to a top speed of 48 kts with poise and precision, while the helm inspires confidence through dual Garmin 18" touch-screen navigation displays that integrate seamlessly with an autopilot; a bow thruster and a Dynamic Trim Tab System (Zipwake 450S) refine close-quarters maneuvering and high-speed balance. Long days on the water are effortless thanks to two Shockwave swivel seats, air conditioning and a generator, and the entertainment suite is engineered for total immersion: an Interior Media Package featuring a 32" TV, two 6.5" speakers, two Media Masters and two Media Hubs, enhanced further by the Platinum Audio Package with a single amplifier, eight speakers, a subwoofer, a Media Hub and a Media Master. Fresh exterior upholstery arriving in 2025 completes the picture, heightening comfort and visual allure.
