OVERVIEW

This immaculate 2004 Rinker Fiesta Vee 342 Cabin Cruiser is now on the market, located at its current berth on Norris Lake, Tennessee. It is driven by twin Mercruiser 350MAG MPI V8 engines with Bravo III dual prop outdrives, and it includes a Kohler generator in a sound-insulated casing. Designed to host 5-6 guests, the interior features a v-berth, a convertible dinette, and a roomy mid-cabin, all complemented by a well-equipped head with a separate shower, an electric flush toilet, and a vanity sink.

Offering an impressive 6' 10" of headroom, the cabin is kept comfortable by a marine air conditioning unit with reverse cycle heating. The galley is outfitted with modern amenities, including an AC/DC refrigerator, a dual electric range cooktop, a built-in microwave, a coffee maker, and a sink, all enhanced by a 24" LED smart Roku TV for entertainment on rainy days or cozy nights.

In the cockpit, you'll find an additional AC/DC fridge, an under-counter freezer, and an integrated blender, along with a waste bin for added convenience. The dual bimini top offers shade and includes an Isenglass/camper canvas enclosure, while the woven vinyl snap-in flooring adds a touch of sophistication. A removable lounge table, a stereo system, and numerous stainless steel cupholders make entertaining effortless.

At the helm, enjoy a double-wide seat with a driver bolster, along with essential navigation tools such as a depth/fish finder/sonar, GPS chartplotter/radar, VHF radio, remote spotlight controls, windlass anchor, and hydraulic trim tabs with an indicator. Additional features include a central vacuum system, a bow sunpad cushion, an extended swim platform with a swim boarding ladder, and a hot/cold transom shower. This covered slip on Norris Lake, Tennessee, is transferable, making it a perfect opportunity for those seeking to purchase a yacht in this sought-after location.

DETAILED DESCRIPTION

Features & Specs

This exceptional yacht is driven by twin MerCruiser 350MAG MPI 300HP V8 engines, featuring Bravo III dual prop outdrives, with 953 hours on the port engine and 863 on the starboard. Enhancing its power is a 5.0Kw Kohler generator in a soundproof enclosure, with only 261 hours of operation. The yacht is fitted with a Lewmar windlass anchor and a reverse cycle marine air conditioning system with heating, delivering a cozy 16,000 BTU.

The interior boasts a V-berth, a convertible dinette, and mid-cabin sleeping areas, comfortably accommodating 5-6 guests. The electric flush toilet includes a separate shower for added convenience. A radar arch with dual biminis, camper canvas, and Isenglass enclosure shields from the weather, while the snap-in vinyl weave flooring in the cockpit adds a touch of sophistication.

The cabin is well-equipped with an AC/DC refrigerator, a dual burner smooth top electric range, a built-in microwave, a coffee maker, and a sink.

Entertainment is provided by a 24" Insignia LED 720p Smart Roku TV with a DVD player, although the Sony AM/FM/CD/CD changer/aux input stereo with two speakers is currently not operational. A SeaVac central vacuum system maintains cleanliness throughout.

The cockpit is a lively area with a wet bar that includes an AC/DC refrigerator, U-Line freezer, sink, Magma gas grill, integrated blender, and waste bin. Music enthusiasts will enjoy the Kenwood AM/FM/CD/USB/aux input/satellite-ready/Pandora/Bluetooth stereo with a driver remote, six speakers, and a subwoofer. The cockpit also features twelve stainless steel cupholders and 12-volt outlets for both the cockpit and cabin.

The helm is crafted for comfort and efficiency, with a double-width seat featuring a driver bolster, a wood grain tilt steering wheel, windshield wipers,

and a VHF radio. Navigation is simplified with a Furuno GPS/chartplotter/radar and a Lowrance Elite-5x depth/fish finder/sonar with water temperature. The yacht is equipped with port and starboard cluster gauges, drive trim, tachometers with digital engine hours, a speedometer, engine synchronizer, clock, and depth finder gauges. Hydraulic trim tabs with indicators, a Fireboy fire suppression system, a Ritchie compass, and a remote spotlight enhance safety and usability.

The extended swim platform includes a 3-step boarding ladder and a hot/cold transom shower. A removable cockpit table and integrated transom storage locker add to the yacht's adaptability. Removable bow sunpad cushions, a powered engine hatch, dockside water hookup, a 3-bank onboard battery charger with battery switches, and a guest battery isolator complete the offering.

With an overall length of 37 feet, a 12-foot beam, and a 3-foot draft, this yacht is yacht certified and rated for 15 people. It has a dry weight of 14,280 pounds, a bridge clearance of 9 feet 8 inches, and a cabin headroom of 6 feet 10 inches. The 18-degree deadrise at the transom ensures a smooth journey. The yacht holds 235 gallons of fuel, 51 gallons of fresh water, and features a dual-source 6-gallon water heater and a 45-gallon waste holding tank. Notably, it has a history of fresh water use, with outdrives serviced in 2023, a new port side outdrive installed in 2020, and the last bottom paint applied in 2020. A transferable covered slip on Norris Lake is also included.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.
