OVERVIEW

"WASN'T ME" is an exquisite 2006 Sea Ray 340 Sundancer express cruiser, propelled by twin Yanmar diesels and complemented by a 5 kW Onan genset and a Garmin electronics suite. She carries the Sportsman Package and Fusion multi zone sound, with custom NUTeak decking underfoot, a bow thruster for effortless maneuvering, and an extended teak swim platform at the stern. Below decks this cabin cruiser sleeps six within a tastefully refreshed interior featuring a teak sole, rich cherry joinery, a full galley, air conditioning, and two TVs. Fastidiously maintained, boathouse kept and fully turnkey, this sport cruiser is a rare and inviting offering.

DETAILED DESCRIPTION

Interior

“WASN'T ME” welcomes you with a comfortable, well appointed cabin layout that sleeps six and showcases quality finishes throughout, where custom teak flooring pairs elegantly with cherry wood cabinetry and LED accent lighting sets a warm, contemporary tone; the full galley is thoughtfully equipped with a stainless refrigerator, electric cooktop, microwave, and built in coffee maker to make onboard meals effortless, while the salon's crescent sofa converts into a generous berth and two flat screen TVs keep guests entertained, the full head provides the comfort of a separate shower, and the overall impression is clean, bright, and truly turnkey — a carefully kept Sundancer equally at home on a casual weekend escape or an extended cruise.

Electronics & navigation

At the helm, a full Garmin electronics suite puts confident command at your fingertips, integrating a touchscreen GPS/chartplotter, fishfinder, radar, autopilot, and VHF for safe navigation and efficient route planning, while dockside maneuvers are simplified by a Vetus bow thruster and a Fusion three zone audio system with remote stations keeps the soundtrack seamless throughout the cockpit and cabin.

Mechanical & propulsion

Power comes from twin Yanmar diesel engines showing 1,014 hours each, paired with an Onan 5 kW diesel generator to deliver economical cruising and dependable operation; the Sportman package outfits the boat for angling adventures with a transom fish box, rod holders, and a bait prep station, while

hydraulic trim tabs and a windlass with helm control make handling and anchoring refreshingly straightforward.

Electrical, systems & deck

Comfort and utility are comprehensively addressed with a full A/C system, freshwater washdown, a cockpit refrigerator, and a freshwater shower on the swim platform; on deck, custom NUTeak grey decking and an extended teak swim platform set a refined tone, complemented by LED multi color exterior and underwater lighting, a canvas enclosure with isinglass windshield, and abundant cockpit seating with a fold away aft bench and three captain chairs, while safety and convenience are further assured by two Rule 1500 GPH automatic bilge pumps, hydraulic trim tabs, and recent battery replacements.

Condition & service

Kept in a protected boathouse and backed by a detailed service log, "WASN'T ME" presents in excellent, truly turnkey condition; recent service history and indoor storage underscore diligent ongoing care, making her a boat you can step aboard and enjoy immediately.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
