OVERVIEW

The Leader 36 unveils a thoughtful layout that places generous emphasis on the cockpit as the vibrant center of life aboard. With crisp, confidence-inspiring handling, lively acceleration, and a composed demeanor in both short chop and larger following seas, this Jeanneau express cruiser occupies the sweet spot of a refined sport yacht. A raked, wraparound windscreen sharpens the low, seductive profile, giving this motor yacht the sleek stance and aerodynamic poise of a true performance cabin cruiser.

Ease of ownership is engineered in: a hydraulic hatch opens to the machinery space for effortless access and quick fluid checks. Broad, secure side decks run forward to the bow, roomy enough to stroll with a cocktail in one hand and a hot plate in the other. Below, the master suite feels genuinely luxurious, while the guest cabin provides a versatile double that converts to twins plus a third berth to port—ideal for adult friends on an overnight or for the kids on a long weekend—making the Leader 36 equally accomplished as a polished sport cruiser and a coastal weekender.

DETAILED DESCRIPTION

Description

The Jeanneau Leader 36 presents a thoughtful, sport-driven layout that purposefully devotes a generous share of volume to the cockpit, where life aboard truly happens, delivering both convivial space and practical functionality. Its exceptional handling, lively turn of speed, and confident composure in short chop combine with soothing comfort in sizable following seas to create a cruiser that consistently hits the mark of excellence. An express-style raked windshield gives the profile a sleek and irresistibly sexy line that commands attention in any harbor. Ease of ownership is engineered in, with a hydraulically opening engine-room access that allows you to step down and check fluid levels without fuss, while amply wide side decks lead forward to the bow, broad enough to stroll with a cocktail in one hand and a hot plate in the other. The Master cabin is genuinely masterful in scale and comfort, and the guest stateroom features a double berth that converts to twin berths plus a third berth to port, comfortably accommodating adult guests for a night or two while offering even more space and versatility for children.

Other details

Helm confidence is immediate thanks to a steering system equipped with joystick control, which delivers fingertip precision for low speed maneuvering and stress free docking in tight quarters, making close quarters handling intuitive even for short-handed crews. The company offers the details of this vessel in good faith but cannot guarantee or warrant the accuracy of this information nor warrant the condition of the vessel, and a buyer should instruct his agents, or his surveyors, to investigate such details as the buyer desires validated. This vessel is offered subject to prior sale, price change, or

withdrawal without notice.

Propulsion

Power is provided by a twin engine package built around Volvo Penta excellence: two Volvo Penta Volvo D4-260 diesel engines from 2018 installed in an inboard/outboard configuration. Engine 1 is specified with a stern drive, pairing the D4-260's refined torque with efficient thrust for responsive acceleration and usable performance across the rev range, while Engine 2 mirrors the same Volvo Penta Volvo D4-260 model year 2018 in the same inboard/outboard layout and diesel fuel, together delivering balanced performance, confident acceleration, and efficient cruising characteristics.

Specifications

Dimensions underline a purposeful footprint, with a length overall of 32.33ft complemented by a length at waterline of 37.58ft, an 11.67ft beam, and a maximum draft of 3.5ft. She carries a dry weight of 6,616kg and displays a deadrise at the transom of 16.2deg for a composed, sea kindly ride. Tankage includes a fresh water capacity of 1 x 158.99 and a fuel capacity of 1 x 548.88. Accommodations are thoughtfully arranged with two cabins and one head to serve family and guests in comfort.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
