OVERVIEW

2024 Valhalla Boatworks V-37 offered with triple Mercury V10 400s and just 115 hours—like new and turnkey. Lift-kept, stored indoors for much of her life and extensively outfitted, this late-model V-37 provides a rare opportunity to step aboard one of the most sought-after high-performance center consoles without waiting. Propelled by the upgraded trio of Mercury V10 400 Verado outboards, she combines breathtaking speed, confident bluewater range, and bona fide offshore pedigree—equally at home as a tournament-ready sportfishing platform or an elegant luxury dayboat for family cruising.

With only 115 original hours and a care history that kept her on a lift or inside, the yacht presents in immaculate, nearly new condition and has never carried bottom paint. The factory Mercury warranty extends through March 15, 2027, adding a reassuring layer of protection to an already compelling package crafted by Valhalla Boatworks, where exacting workmanship and premium fit and finish are evident from stem to stern. Widely recognized as a top performer in the 37-foot class of performance center consoles, the V-37 fuses refined lines with muscular capability in a way few boats can match.

Her advanced stepped hull is purpose-designed to deliver a soft, dry, and composed ride across a wide spectrum of sea states, enhancing efficiency while unlocking impressive top-end performance. The deck layout is intelligently executed for both the serious angler and the discerning cruiser: an expansive, ergonomic cockpit supports offshore fishing and live-bait operations, while plush seating, ample social areas, and high-end materials create an inviting environment for guests. From the clean, modern helm to the meticulous joinery, every detail reinforces a premium ethos, yielding a center console sportfish that doubles effortlessly as a luxury cruiser and even a superyacht tender.

Versatility defines this V-37. Run hard to the grounds on tournament days,

relax with friends on a sunset harbor cruise, or drop anchor for a sandbar gathering—the boat handles each scenario with composure, grace, and unmistakable Valhalla style. This is a rare chance to acquire a low-hour, meticulously maintained, late-model performance outboard yacht that is truly ready to go.

No delays, no compromises—step aboard and enjoy the water. Center console, sportfishing yacht, offshore fishing, performance boat, luxury dayboat, outboard boat, bluewater, superyacht tender.
