DETAILED DESCRIPTION

Main description

Melding elegant design with athletic capability, this 2018 Formula 350 Crossover Bowrider stretches to just under 38 feet overall and rides on a sculpted Deep-V fiberglass hull crafted for composed, confident handling and outstanding stability. Propulsion is delivered by three Mercury Verado 350 outboards, each producing 350 horsepower, providing brisk acceleration and responsive control, their output refined through four-blade stainless-steel propellers for crisp, efficient thrust. Precise maneuvering is made simple with joystick control, while an electric windlass streamlines anchoring so moments onboard remain relaxed and sophisticated. Carefully appointed for comfort, the thoughtfully configured head supports extended days on the water, making this Formula 350 Crossover Bowrider an inspired marriage of high-performance capability and upscale comfort.

Features

The 350 Crossover Bowrider presents a seamless fusion of performance, cutting-edge systems and refined comfort, propelled by Mercury Triple Verado 350 JPO outboards with the Mercury Verado white outboard engine upgrade and finished with multi-color complete cowl paint, while an automatic outboard engine flushing system makes maintenance effortless. Precision navigation and control come courtesy of a Raymarine chartplotter Axiom Pro 12S, supplemented by a VHF radio with antenna, bow docking lights and an electric windlass anchor for confident handling in every harbor. Guests are indulged with a multi-position sun lounge and immersive audio from JL Audio lighted cockpit speakers, complemented by a full entertainment group featuring an aft HD TV and atmospheric cockpit blue LED lighting. Comfort for

all seasons is provided by a 16000 BTU cockpit A/C and an 8000 BTU reverse cycle cabin A/C, backed by a Kohler 5.0 kW gas generator Low CO and shorepower 120V, while onboard convenience is enhanced by a VacuFlush head with holding tank and macerator. A rigid hardtop with retractable sunroof and electric SureShade shade pairs with cockpit and bow covers, a full front, sides and aft enclosure plus a bow sun shade to customize protection as desired, and thoughtful appointments such as fender clips and a woven cockpit surface complete the luxurious, functional package.
