OVERVIEW

2022 Regal 36 Grande Coupe

Step aboard this refined 36 Grande Coupe and be welcomed by a thoughtful blend of style and substance that makes every outing feel effortless. Designed for lively day excursions or relaxed weekend escapes with family and friends, the cockpit and open bow invite lounging on multi-position sun pads while an open-air salon with a full refreshment center flows seamlessly aft into a convertible face-to-face seating arrangement, creating an interior that lives far larger than a typical 36 footer. Delivered July 2022, this yacht is powered by Twin Volvo V8 380 EVC2 DP CAT OX engines with Joystick, showing 175 hours, and is protected by an 8-Year Brunswick Extended Warranty (Gas Stern Drives & Inboard Package) through 06/28/2030. A Westerbeke 7.5 kW gas generator (110V) supplies hotel loads and has approximately 580 hours.

The hull presents in Steel Grey with a Graphite bootstripe and a White bottom, and the Regal Power Platform is fitted underwater for easy boarding. Practical upgrades include SeaDek flooring (owner will replace the aft deck panel with your boat name), a custom overhead salon cabinet for dishes and glassware, and a second refrigerator in the salon. Entertainment and ambiance are elevated by an upgraded JL Audio premium sound system and Lumitec RGB LED lighting in the salon, cabin, and underwater with POCO control, while full window tint with heat reduction ensures comfort. Additional conveniences: freshwater washdown in the windlass compartment, bottom paint completed December 2023, and engines and generator serviced 04/01/2024. Sleek and capable, this hardtop cruiser marries performance, comfort, and elegant entertaining in a compact, sophisticated package.

DETAILED DESCRIPTION

Options

A meticulously curated specification sets the tone with a Titanium finish paired with a Neutral Pillow Package, Strato Wind countertops, a Maple Rum salon floor, and refined Driftwood accents, creating an interior palette that is both modern and timeless. Practicality meets peace of mind through a central vacuum system and a gas vapor detector that quietly maintain safety and cleanliness. On deck, an anchor windlass configured for rope-and-chain teams with fender clips provides secure and versatile anchoring, complemented by a solid salon door and a wireless remote for the windlass that bring effortless control to routine maneuvers, while windshield tint enhances comfort in bright conditions. Entertainment and communication are elevated by a stereo satellite tuner with antenna and a Garmin 110 VHF radio, ensuring connection and enjoyment wherever you cruise. At the helm, confidence comes from a Volvo 22" Glass Cockpit with integrated autopilot, offering intuitive navigation and command. Hospitality flourishes with a cockpit refrigerator and an electric grill for relaxed alfresco dining, and daily convenience is ensured by a toilet arranged for overboard discharge that simplifies onboard systems while meeting functional needs.
