## OVERVIEW

---

Fontaine Pajot Maryland 37

Meticulously tended, this Maryland 37 represents a rare chance to own one of Fontaine Pajot's most lauded and economical power catamarans. Celebrated for exceptional fuel economy, reassuring stability, and notable cruising range, this motor yacht and cruising catamaran has long been the choice of seasoned coastal cruisers and discerning passagemakers.

The yacht is distinguished by condition well above the norm and the careful, attentive stewardship of her current owner, who has maintained and improved her proactively with an open checkbook approach and comprehensive records documenting every upgrade and service.

Propelled by efficient twin diesel engines, her generous beam delivers composed handling and an exceptionally smooth ride, while a welcoming layout creates effortless days under way and peaceful nights at anchor. Ideal as a coastal cruiser, liveaboard, and island hopping powerboat, she is perfectly suited to explore the Bahamas or undertake extended voyages—blending trawler like efficiency with the refinement and poise of a capable power catamaran.

## DETAILED DESCRIPTION

---

### 1999 Fountaine Pajot Maryland 37 Knotty Cat

---

Knotty Cat presents in above-average condition throughout, supported by a recent survey dated July 2025 commissioned for an insurance update and review, and she embodies a purposeful design for efficient, confidence-inspiring coastal cruising. A 2015 Rigid Boats 12' tender powered by a 2021 Tohatsu 30HP outboard rides ready on a custom electric remote-controlled davit lift, making launch and retrieval effortless and secure. Reliable autonomous power is provided by a Panda 8000NE generator (2005) that was completely rebuilt in 2015 and received a full service in January 2026, while a comprehensive 2025 electrical upgrade introduced three 410W solar panels, a Victron inverter/charger, Smart Shunt monitoring and four Victron 330Ah lithium batteries to deliver robust, modern energy management both underway and at anchor. Command and control are intuitive and redundant, with dual helm stations fitted with Glendinning electronic engine controls with synchronization and complemented by the original Morse controls for fail-safe backup; situational awareness and fingertip course-keeping are assured by the Garmin electronics suite, which includes two Garmin 943XSV chart-plotters and a Garmin GHC-20 autopilot with remote. Onboard comforts elevate extended cruising: the upgraded galley features an induction cooktop, a microwave-oven, multiple refrigeration and freezer units and contemporary countertop appliances that simplify provisioning and meal service. Fresh water independence comes from the Spectra Catalina 340-Z water-maker producing 340 gallons per day, fully automatic with flush and backwash systems, and a Brownie's Electric dive compressor operable from shore power or generator expands dive and deck-service capability. A custom digital touchscreen tank monitoring system installed in 2020 replaces original gauges with precise

at-a-glance status for all fluids. Beneath the waterline her stewardship is exemplary: a major 2024 haul-out delivered new prop shafts, fresh cutlass bearings, balanced props, reseated through-hulls and a PropSpeed treatment for clean running efficiency, and the subsequent 2025 refit haul-out was even more comprehensive, with the bottom stripped to gelcoat, sealed with an epoxy barrier coat and protected with new antifouling, plus new engine mounts, new shaft seals, meticulous alignment and upgraded fuel filtration systems to ensure reliability, smoothness and long-term protection. Thoughtfully upgraded and diligently maintained, Knotty Cat stands ready to deliver quiet efficiency, responsive handling and turnkey comfort on every passage.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
