This 2008 Rinker express cruiser presents in excellent overall condition, its cockpit immaculate and arranged for effortless lounging with guests. Kept in freshwater throughout its life, the sterndrives were serviced in 2022 and fitted with new manifolds and elbows, and that same year the air conditioning and refrigerator were replaced. A Kohler generator has only 50 hours of use. On 11/29 a comprehensive 100-hour service was carried out—oil changed, drives inspected, and all fluids checked and confirmed.
