## OVERVIEW

---

Experience the elegance of the Sea Ray 370 Aft Cabin, a premium yacht available for purchase, currently situated in an ideal location. This exquisite vessel, driven by twin CAT diesel engines, seamlessly blends stylish design with luxurious living quarters, promising an unparalleled yachting experience. With a broad 14' 3" beam, it provides the spaciousness typically found in larger yachts. Both staterooms are equipped with walkaround queen-size beds and en suite Vac-U-Flush freshwater heads, ensuring maximum comfort. The galley is outfitted with an electric cooktop, a 2017 NovaKool refrigerator, a sizable pantry with a washer/dryer, and sophisticated Corian countertops. The aft deck is completely enclosed with nearly new canvas featuring Strataglass and refreshed upholstery. Included is an 11' AB Nautilus DXL Rib with a 25 hp Yamaha outboard, making it ideal for use as a floating condo, liveaboard, or for coastal cruising. This yacht is perfect for couples or families with young children, featuring numerous upgrades that set it apart from similar vessels. Arrange a viewing of this impeccably maintained cruiser today. There is also a potential opportunity for a highly coveted slip at the Loews Coronado Bay Resort in Coronado, CA, subject to application approval.

# DETAILED DESCRIPTION

---

## Section name

---

The Sea Ray 370 Aft Cabin is a luxurious sport yacht crafted for those who desire to spend nights away from home in both style and comfort. This elegant vessel is powered by twin Caterpillar Diesel inboard engines, promising a smooth and dependable voyage. At its core lies a central helm station, embellished with burl instrument panels and fitted with custom slide-swivel helm seats. Sun enthusiasts will find the aft-facing sun lounge and bench seat with storage beneath to be ideal spots for relaxation.

With a wide beam of 14 feet and three inches, the 370 Aft Cabin provides spacious and level walkways to the foredeck on both the port and starboard sides. Safety is a top priority, with welded stainless steel stanchions and through-bolted stainless steel handrails and bow rail ensuring secure passage for passengers moving fore and aft. The expansive aft deck, sheltered by a fiberglass hardtop, features entrance doors on both port and starboard sides and can be fully enclosed with custom side and aft skirts. This area is thoughtfully equipped with 12-volt lighting, a built-in wet bar complete with a sink, beverage holders, and a trash receptacle.

Accessing the bridge is effortless via molded steps on the port side from the aft deck. Here, two adjustable captain's chairs face the helm station, while guests can relax on the bench seat or the forward-facing sun lounge on the starboard side. The aluminum-framed Venturi windshield is tinted for optimal viewing, enhancing the overall experience. The central helm station is outfitted with burl instrument panels featuring custom backlit instrumentation and a Raytheon electronics package, which includes a VHF radio and a Raydata multifunction instrument with a depth finder, speed-sumlog, and water temperature gauge.

Below deck, the yacht features a spacious salon with an L-shaped sofa, a dining-cocktail table, and an entertainment center. Guests can unwind in a comfortable barrel chair and enjoy the built-in 20-inch color TV-VCR combo with remote and a Clarion digital AM-FM cassette stereo. The pedestal dining-cocktail table conveniently stores out of sight when not in use.

In the aft master stateroom, a queen-size bed with an innerspring mattress ensures maximum comfort. Cedar-lined closets and a hanging locker with mirrored doors provide ample space for clothing. The en suite head is equipped with a VacuFlush toilet, a Corian vanity with a sink, and a shower with a seat and bifold door. The forward stateroom features a queen-size pedestal bed, cedar-lined hanging lockers with mirrored doors, side shelf storage, a privacy door, and private access to the main head. The forward head compartment includes a VacuFlush toilet, a molded vanity with a sink and Corian countertop, and a pullout shower wand. The port stateroom offers a twin bed and built-in storage.

The galley is well-equipped with a 7.4-cubic-foot refrigerator-freezer, a flush-mounted three-burner electric stove, and a microwave-convection oven, making meal preparation a breeze. This yacht is a perfect blend of luxury, functionality, and style, ensuring an unforgettable experience on the water.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
