OVERVIEW

2005 Formula 37 PC "Commission Based" — 37' Express/Performance Cruiser — Venice, FL

Motivated seller — now \$98,900

Brand-new factory Formula canvas package, cockpit cover, and bimini

Step aboard the elegant 2005 Formula 37 PC "Commission Based," a 37-foot express/performance cruiser that marries refined appointments with purposeful engineering. Stored on a lift and cared for meticulously, this Formula presents a high-gloss hull finished in signature Imron graphics and was kept out of the water on a rack; bottom paint was renewed in 2021. Twin Volvo 8.1L V-drives power the hull, each with only 510 hours, fresh risers and manifolds, and a complete service history on file, while recent engine batteries ensure reliable starts. Access to the machinery space is effortless thanks to an electric transom lift.

The interior is airy and inviting, offering 6'6" of headroom and sleeping accommodations for six across a crescent salon lounge, a comfortable midcabin, and an enclosed head that includes a separate hot/cold shower stall. Rich Ultraleather seating and a solid cherry dinette elevate the salon, and a flat-panel TV with Bluetooth, Pandora, CD and AM/FM sources complements a Bose audio system for sophisticated entertainment. Practical comforts include a central vacuum, SAT TV prewire for future satellite installation, and climate-controlled air conditioning powered in part by a Kohler 7.3 kW generator with 328 hours, making extended weekends aboard both comfortable and convenient.

The cockpit is designed for socializing and sunning: a U-shaped lounge seats eight and converts to a substantial sunpad, while new carpets, a wet bar with sink, and a new refrigerator enhance the entertaining flow. Easy bow access is achieved through a walk-through windshield, and two new removable,

zippered bow sunpads provide effortless setup and storage. Navigation and safety are covered by a Garmin 10" MFD with radar and depth. Canvas, full isinglass enclosure, and a new cockpit cover are in excellent condition, protecting the upholstery and extending the cruising season.

Additional conveniences include anchor washdown and the overall lift-stored condition that reflects high standards of maintenance. Turn-key and ready to cruise, the 2005 Formula 37 PC offers a compelling blend of speed, luxury, and sea-kindly handling—ideal for exploring Florida's waterways in style.

DETAILED DESCRIPTION

Features

Crafted for seamless days afloat, this yacht surrounds you with considered amenities, beginning with a fitted cockpit cover that shields the helm and seating when the weather turns or when she rests at the dock. Reliable power is always on tap via a shore power inlet and a dedicated generator, keeping onboard systems humming with quiet confidence. A comprehensive electronics suite elevates navigation and awareness: a responsive depthsounder and radar paint a clear picture beneath and ahead, a precise log speedometer tracks performance, while GPS and a trusted compass guide every passage; communication remains crisp through VHF, and entertainment is thoughtfully curated with a TV set, a DVD player, a CD player, and a radio, all brought to life through cockpit speakers that carry sound across the deck. Comfort below is equally assured, with an electric bilge pump keeping the bilges dry, air conditioning tempering the climate, and a galley anchored by a microwave oven and a refrigerator; domestic ease continues with hot water, an electric head, and a battery charger maintaining dependable house power. On deck, simple pleasures are amplified by a cockpit shower after a swim, plush cockpit cushions for unhurried lounging, and a sturdy cockpit table for sunrise coffees or sunset suppers, while a swimming ladder makes every dip into the water inviting and effortless.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.
