## OVERVIEW

---

Crafted for the discerning sailor who demands bluewater performance and refined leisure, this offshore luxury dayboat and premium center console is powered by four Mercury 300hp Verado V8 outboards in white, complete with Joystick Piloting and SkyHook, and currently shows just 218 hours for assured, effortless control. The deck is finished in bespoke Fusion White gelcoat while the full hull is cloaked in a sophisticated Shark Gray with a slim silver boot stripe, complemented throughout by the elegant Grigio upholstery package for a modern, high end appearance. Comfort at anchor is elevated by an upgraded Seakeeper 5 gyro stabilizer, and an 8 kW generator provides quiet autonomy for extended weekender cruising. A portside hydraulic beach terrace unfolds to extend the on water lifestyle into a generous swim and watersports platform, and the helm is outfitted with an advanced Garmin suite upgraded to three 8616 multifunction displays alongside a B175H high frequency transducer, GMR 24 xHD radar and VHF 315 to ensure precise navigation and communication. Shade and protection are comprehensively addressed with a forward deck sun canopy, a bow sun lounge cover, a full storage canvas and dedicated helm seating covers, while the classic-format leaning post discreetly houses a drawer style refrigerator and a built in ice maker, transforming the cockpit into an effortless entertaining area worthy of a sport yacht or superyacht tender. After dark, four Lumishore SMX53 underwater LEDs—two set into the transom and two at the forward step—work in concert with three Lumitec light bars to create dramatic nighttime illumination, and an electric SureShade integrated retractable aft awning plus a hot water deck shower enhance open air comfort. Practical systems are equally refined, including a Glendinning 50 foot shore power cord reel, a proportional bow thruster for precise close quarters handling and a freshwater engine flush system serving all four outboards; dockside convenience is further improved by an additional midship pair of Phender Pro

quick release fittings, and forward relaxation is completed with a convertible bow table and lounge filler cushion. Belowdecks, a cedar lined hanging locker adds a final touch of yacht class refinement, underscoring this boat's rare fusion of capability, elegance and versatility in the performance cruiser category.
