OVERVIEW

Boston Whaler 380 Outrage

2023 Boston Whaler 380 Outrage, 38 feet LOA, delivering offshore confidence, premium technology, and standout versatility for adventures across the Gulf with comfort at every turn.

Twin Mercury V12 600 hp outboards with joystick piloting provide a commanding 1,200 horsepower and precise maneuvering from Sarasota Bay to bluewater runs and smooth arrivals at favorite destinations. This MarineMax Certified Pre-Owned example carries a robust technology suite: Simrad electronics, 48" Halo radar, FLIR thermal night vision, satellite weather and radio, and systems tuned for surefooted cruising as conditions evolve.

Purpose-built for long days on the water, it blends capability and comfort. A cockpit summer kitchen, teak cockpit tables, retractable electric sun shade, upgraded Fusion audio, underwater lighting, and convertible seating set the stage for refined entertaining, while the spacious cockpit and radial outriggers stand ready when the agenda turns to fishing.

Equally at home cruising Sarasota Bay, running offshore from New Pass, lingering off Longboat Key, or settling in for an evening at anchor, it suits the Southwest Florida rhythm beautifully.

Presented under MarineMax Certified Pre-Owned standards and supported by the Sarasota team, this Boston Whaler 380 Outrage offers assurance from purchase through ownership.
