OVERVIEW

The 2026 Cruisers Yachts 38 GLS Outboard blends the exhilarating performance and sociable character of the award-winning 38 GLS with the simplicity and assurance of outboard power, producing a refined dayboat and outboard sport cruiser that impresses at every moment. Lower the signature beach door on the starboard side to open a waterside terrace that dramatically enlarges the swim platform, then descend to a carefully appointed lower cabin featuring an aft stateroom, a U-shaped dinette that converts into a comfortable berth, a fully equipped galley, and a standing head with shower—an elegant express cruiser and weekend retreat conceived for those who relish life afloat.

Propulsion choices span from triple Mercury Verado 300s up to the high-performance 450R package, all offering joystick piloting for intuitive fingertip control and, with the 450s, exhilarating top speeds approaching 65 mph. Docking feels smooth and effortless while passages offshore reveal a poised, athletic demeanor true to its performance pedigree. At anchor the innovative beach door creates an effortless water club, supported by safety interlocks and straightforward controls that let guests move between cockpit and sea with confidence, and an aft-facing bench that cleverly swivels to share the view whether you're watching the cockpit activity or the terrace below.

Entertaining is at the heart of the 38 GLS, and the open cockpit lives up to that promise. A deep bow lounge encourages relaxed conversation forward, amidships twin L-shaped dinettes maintain the social flow around the helm and galley, and a versatile aft bench flips to face the beach door so swim time becomes center stage. Thoughtful appointments elevate every gathering—Rockford Fosgate audio, plentiful cupholders, and a convertible bow table make hosting graceful and easy, while an available foredeck canopy provides shaded comfort across the primary social zones.

The helm inspires confidence, with integrated Simrad electronics and joystick control presented on a clean, contemporary dash that keeps every function within reach. A wireless phone charging pad keeps devices ready, and the bolster helm chair conceals intelligent storage or can house an optional ice maker so refreshments are always nearby. The cockpit galley is a natural gathering spot equipped with a fiberglass inlay sink, refrigerator, and bottle storage, with options for a grill and TV; swivel bar stools at the raised wet bar invite guests to linger as the sun descends.

Beneath its streamlined exterior, luxury finishes distinguish this bowrider-meets-sport yacht crossover. Marine-grade 316L stainless steel hardware reinforces key details—from cleats and rail stanchions to arch legs and pump bases—while precision machining and hand-sewn upholstery marry durability with bespoke refinement. Rich, exotic woods are machine-sanded and expertly finished to resist the marine environment, creating interiors that feel timeless yet modern.

The lower salon provides a welcoming sanctuary where the U-shaped dinette converts into an extra berth and a compact galley—complete with microwave and refrigerator—meets morning coffee or late-night snacks with ease, complemented by an optional TV. The head delivers a residential feel with a proper sink, toilet, and standing shower for comfortable extended weekends. Aft, the private stateroom offers a custom-sized berth, adjustable reading lights, practical shelving, and another available TV, forming a peaceful retreat after a day on the water.

When you purchase through MarineMax, ownership is designed to be effortless and rewarding. Your new 38 GLS Outboard comes with a full tank of fuel and a comprehensive Go Boating Gear kit—stocked with essential safety and dock items including personal and throwable flotation devices, signaling gear such as flares and a horn, a fire extinguisher, dock lines, an anchor, a boat hook, and cleaning supplies—so you can depart with assurance. Expect

streamlined financing and insurance options, convenient online service scheduling, expert-led classes and seminars to refine your skills, exclusive Getaways! trips and customer events to connect with fellow boaters, and trades considered.

Experience how the 38 GLS Outboard elevates the contemporary motor yacht experience—visit our St. Petersburg showroom to learn more and schedule your private viewing of this exceptional crossover cruiser.

DETAILED DESCRIPTION

Included options

This boat is propelled by Mercury white triple 300 hp Verado outboards mated to Joystick Piloting and set beneath a clean white hull highlighted by a Baltic Blue plank. The cockpit is appointed with Sand Ultraleather seating and the interior presents a restrained neutral color palette warmed by rich dark ebony oak interior wood that also frames the mid-berth's 24-inch TV (US). Protection and privacy are provided by black bow and cockpit covers plus matching seat covers and a white retractable cockpit shade, and the outboard configuration is delivered without Seakeeper as standard. Dependability is built in with absorbed glass mat (AGM) batteries and a Kohler 6 kW diesel generator with sound shield, 120 V, while a central vacuum system adds onboard convenience. Comfort and finishing touches include a one-set towel package, SeaDek on the bow and in the cockpit, and a blue exterior pillow package. Practical systems such as a macerator with overboard discharge, an anchor washdown, and a Reverso engine flush system for the outboards simplify maintenance. Entertaining is effortless with an electric cockpit grill, 120 V, and an ice maker at the helm seat, 110 V, and the vessel's ambiance and capability are enhanced by underwater lights, Merc radar, and a Simrad VHF radio (US).

Additional specifications

Delivered with a deliberately spare specification to encourage bespoke completion, this yacht is presently arranged with a seating capacity of zero and a liferaft capacity of zero, offering a blank canvas for an owner's bespoke outfitting. The hull measurements list the freeboard at 0 ft and the deadrise at the transom at 0 degrees, with the displacement type recorded as Dry Load to simplify preliminary performance evaluation. Essential shipboard equipment

includes an electric windlass, while the documented electrical circuit voltage is 0. Administrative records designate the tax country as United States (US).

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
