DETAILED DESCRIPTION

Features

This yacht is a remarkable blend of power, style, and modern amenities, making it an exceptional choice for both personal enjoyment and chartering. At its heart are two robust Mercruiser 6.2L 350 B EC DTS 4R engines, each delivering an impressive 350 horsepower, ensuring a thrilling and reliable performance on the water. The yacht's design is nothing short of amazing, with a complete overhaul in 2022 that includes all-new upholstery and a striking custom paint job, giving it a fresh and contemporary look. The main deck is elegantly finished in Sundek, providing both durability and aesthetic appeal. For entertainment, the yacht is equipped with a state-of-the-art JL Music system, newly installed in 2023, ensuring high-quality sound throughout your journey. The vessel's long and effective flaps enhance its stability and handling, making for a smooth and comfortable ride. Inside, the yacht boasts new carpets, also refitted in 2022, adding to the luxurious feel of the interior. Regular maintenance is a priority, with a full engine service scheduled for 2024, ensuring the yacht remains in peak condition. Additionally, the hull is protected with antifouling, preserving its performance and appearance. This yacht is not only a visual and technical marvel but also a practical choice for those looking to charter, offering a perfect blend of comfort, style, and functionality.
