OVERVIEW

Delivered in 2024, the Jeanneau DB37 presents itself as a high-performance, top-tier day boat and elegant luxury day cruiser in immaculate condition. An integrated smart-control suite connects directly to your smartphone to display battery status and real-time fuel consumption, offering effortless, informed cruising. Designed as a versatile platform for relaxed, carefree days at sea, it boasts a broad, open deck layout with generous, reconfigurable seating that prioritizes both comfort and convenience. With sleek, contemporary lines, the DB37 is an outstanding express cruiser and sport yacht for entertaining—equally impressive underway and wonderfully serene at anchor.

DETAILED DESCRIPTION

Equipment details

Twin Volvo D4-320 diesel engines, each developing 320 hp and showing 160 h of use, propel the yacht to a maximum speed of 36 kn, while fuel capacity stands at 690 L and fresh water capacity at 250 L. Electrical autonomy is supported by a Fisher Panda generator (8 kW) with generator hours listed as N/A, complemented by a Victron inverter and a Victron 150x50 battery charger; an Aqua Marin water maker delivering 120 lt/h further enhances self-sufficiency. A hydraulic platform is not fitted and no stabilizer is installed.

The helm is comprehensively equipped with Raymarine navigation electronics, including radar, a Raymarine 12" display chartplotter, Raymarine autopilot and VHF, plus a Raymarine fish finder; onboard audio is provided through Fusion and Garmin sound components, while satellite reception and a TV are not fitted. Comfort and galley amenities feature air conditioning, a refrigerator, a deep freeze, an oven and a microwave, whereas an icemaker, dishwasher and washing machine are noted as N/A. For handling and anchoring, the yacht benefits from a bow thruster (no stern thruster), a windlass for ground tackle and the convenience of an outdoor BBQ; a passerella is not fitted.

The tender outfit consists of an Eastmarine 2.40 tender matched with an E-propulsion 1.0 outboard, and there is no flybridge crane. Additional extras include a 110 w solar panel, Fayfir, 100 meters of chain, an electric oven, a Victron consumption display and four aluminium chairs.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.

For more information and to view available yachts, you can visit the company's official website: <https://shestakovyachtsales.com>
