OVERVIEW

The Queen Angela presents the coveted "Plan B" arrangement, unfolding into a generous salon with two distinct seating areas, a refined kitchenette, and a private queen stateroom that crowns the forward section. Forward is the master suite, appointed with a queen-sized bed; aftward on the port side a full bathroom is fitted with a vanity, a Vaccu-Flush toilet, and a circular acrylic shower. Opposite, on the starboard side, an L-shaped dining nook welcomes company around a versatile table accompanied by two bar stools, while the galley sits a bit further aft to serve both dining and lounging spaces. A port-side settee with a convertible backrest transforms into upper and lower bunks to sleep up to four guests, and the aft deck is reached by four central steps. Interior finishes are warm and classic, with natural Teak & Holly flooring beneath beige cushions and matching bunk covers, creating an atmosphere of understated elegance. Explore yacht sales in the current boat location and seize the chance to acquire a vessel that truly embodies luxury and refinement.
