OVERVIEW

The Monterey 385SE is a consummate creation that marries the luxury and comfort of an express cruiser with the airy freedom of a center console and the exhilaration of a performance craft. Beautifully finished and maintained by an experienced owner, this example presents as the most pristine 385SE available today — an opportunity for discerning buyers that should not be overlooked.

Every refinement aboard has been thoughtfully specified: navigation and helm are centered on a Garmin 8612xsv MFD complete with Autopilot and Remote Steering Control, while entertainment is delivered through a premium JL Audio system with Subwoofer, Amplifiers, and multiple remotes positioned at the Dash, Cockpit, and Stern. Underfoot, SeaDeck flooring runs throughout the vessel, and comfortable climate control is provided by a Westerbeke 7.5kW low-emission gas generator with Gen Heat paired to 16,000 BTU air conditioning. Ambience comes from RGB LED underwater lighting, and practical systems include shore power with an advanced battery charging system. The cockpit is outfitted for convivial cooking with an electric grill and dedicated storage, and a port cockpit wet bar supplies a freshwater sink and refrigerator. Shade and shelter are effortless with an Electric SureShade aft awning and a removable bow shade, complemented by a full Eisenglass cockpit enclosure and cockpit cover. Cruising conveniences extend to a transom shower, an anchor windlass with chain and an anchor washdown system, and the cabin comforts of a 40" LED TV with inlet and antenna plus an additional fridge. Regular detailing has preserved its like-new appearance. Fully prepared for dockside entertaining, leisurely coastal runs, or confident offshore passage, this Monterey 385SE, located in the current boat location, is a prime candidate for yacht sales and ready for your next nautical chapter.
