OVERVIEW

The Monterey 385SE is a consummate expression of maritime refinement, marrying the lavish comfort and effortless handling of an express cruiser with the open-air freedom of a center console and the adrenaline of a performance craft. Beautifully finished and maintained by an experienced owner, this particular 385SE stands as the most pristine example available, its brightwork and upholstery reflecting regular detailing that preserves a like-new presentation. Whether entertaining at the dock, carving the coastline, or running offshore in style, this yacht answers every call with confidence and grace.

Every practical and pleasurable detail has been considered and executed with care. Navigation and helm control are centered on a Garmin 8612xsv MFD that integrates Autopilot and Remote Steering Control for precise, hands-free passages. Entertainment is handled by a comprehensive JL Audio sound system, complete with subwoofer, amplifiers, and multiple remotes positioned at the dash, in the cockpit, and at the stern. Underfoot, SeaDek flooring runs throughout the vessel, providing comfort and traction, while RGB LED underwater lighting casts a dramatic glow at night. Comfort systems include a Westerbeke 7.5 kW low-emission gas generator with Gen Heat and a 16,000 BTU air conditioning unit to keep the cabin and cockpit temperate. Electrical convenience is assured by shore power hookups and an advanced battery charging system. Galley and social amenities extend to an electric cockpit grill with its own storage, a port cockpit wet bar with freshwater sink and refrigerator, and an additional cabin refrigerator. Shades and shelter are effortless with an electric SureShade aft awning and a removable bow shade, plus a full Eisenglass cockpit enclosure and cockpit cover for protection in any weather. Practical deck fittings include an anchor windlass with chain and an anchor washdown system, a transom shower for rinsing off after the water,

and ample storage throughout. The cabin is fitted with a 40" LED TV with inlet and antenna for entertainment underway or at anchor. Located in the current boat location, this Monterey 385SE is fully outfitted and poised for immediate adventure, an exceptional candidate for anyone seeking a distinguished yacht for sale.
