OVERVIEW

The 2021 Boston Whaler 380 Outrage melds an authentic offshore pedigree with refined comfort and true multi-mission versatility. As a luxury center console powered by quad Mercury V8 AMS outboards, she offers assured speed, composed seakeeping and the range to either pursue distant horizons or enjoy extended days on the water.

Presented in outstanding condition and generously optioned, this 380 pairs sea-proven performance and efficient cruising with the precise maneuverability of Joystick Piloting for effortless close-quarters control. Predictable, planted handling stems from Boston Whaler's deep-V hull, while dual widescreen Raymarine displays form the centerpiece of a fully integrated navigation suite complete with comprehensive vessel and engine monitoring and a premium sound system to set the ambiance.

The deck layout is thoughtfully arranged for both serious offshore angling and gracious entertaining, featuring expansive bow seating with abundant storage, a capacious cockpit with aft-facing seating and an optional table, and a deluxe leaning post with a livewell plus an additional transom livewell.

Comfort-focused appointments include air-conditioned helm-deck seating beneath a fully integrated hardtop and an air-conditioned cabin with an enclosed head, while a forward "garage" provides convenient stowage for gear. The striking white hull completes the yacht's polished profile.

Clean, capable and comprehensively equipped, this 380 Outrage is offered truly turn-key. Inquire for full details, additional photos, or to arrange a private viewing.
