OVERVIEW

T/T CASA BRI MARE, a 2022 Wajer 38, redefines the luxury dayboat and superyacht tender, combining razor-sharp, responsive handling with an interior that favors quiet, refined comfort. Propelled by twin Volvo Penta IPS engines, she delivers an exhilarating 46-knot top speed while settling to a poised 28-knot cruise, all operated from a helm set beneath three bespoke carbon-shell suspension chairs via a flush-set touchscreen, throttle and joystick. Her lines draw the eye: a seamless sheer and pronounced bow flare are framed by the marque's signature wraparound windscreen, complemented by satin carbon-fiber detailing, a Permateek sole and pop-up cleats that preserve an immaculate profile. The cockpit is arranged for effortless days at sea, offering expansive sun lounges, a convertible table, an onboard Seabob, audiophile-grade sound and a generous aft platform complete with shower and swim ladder for easy water access. Below decks, a fully appointed cabin provides a double berth, pantry, refrigerator and coffee machine, alongside a private head with shower, ensuring indulgent convenience from first light well into the evening.

DETAILED DESCRIPTION

Options

Elevate every cruise with the Volvo Penta Dynamic Positioning System (DPS), offering precise fingertip station-keeping, while the exterior is dressed in carbon fibre style trim and fittings finished with an ionized treatment. Opt for a bespoke metallic or solid colour on the deck and cockpit to personalise the profile, and enjoy a cabin tempered by Webasto air conditioning rated at 8000 BTU for comfortable climate control. Onboard entertainment is delivered through a Fusion audio suite comprising four amplifiers, eight speakers and two woofers, and evenings aboard are transformed by four underwater lights that create an ambient glow. Practicality and seamanship are addressed by three lollypops for boarding, eight stainless steel deck fittings, a towing eye laminated into the bow, a Skipole stern and a touch-and-go rubber bumper, while navigation is enhanced with a removable radar and an additional Garmin twelve inch display mounted in the dashboard. For flexible lounging, the sundeck includes a filler piece with a removable backrest that allows multiple seating and reclining configurations.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
