## OVERVIEW

---

A new canvas has been recently fitted on the bridge, and an enclosed sundeck beneath a fiberglass hardtop creates an inviting space for entertaining guests and savoring evening horizons. The layout is ideal for sharing sunsets with friends, combining the openness of a flybridge sundeck cruiser with the refinement of an Aft Cabin Motor Yacht and the practicality of a liveaboard coastal cruiser.

Below, two private staterooms each offer their own enclosed head and shower. The owner's cabin is appointed with a centerline queen berth, a dressing vanity, and plentiful wardrobe space, while the salon unfolds with an integrated bar, a folding-leaf table and generous built-in seating. The down galley houses a new full-size AC/DC refrigerator. Forward accommodations include a large lower berth with a smaller upper bunk well suited to children. Teak-and-holly soles grace the galley, passageway and heads, and plush carpeting enhances the aft stateroom and salon.

# DETAILED DESCRIPTION

---

## Accommodations

---

Upon stepping aboard Sea Pause, you are welcomed onto a sun deck finished in warm carpet and appointed with a table and chairs beneath a hard top and enclosed canvas that shelter you from the elements, and just a few steps up the bridge offers commanding 360-degree views and comfortable seating for seven; returning to the sundeck and descending several steps leads into the main salon, a light-filled living space framed by ample windows and custom drapes and anchored by a helm with full controls, while moving forward and down the layout places the galley to port and, opposite to starboard, a guest head with a separate shower stall, with the forward guest cabin offering a generous lower berth and a smaller upper berth; aft of the salon, the private master stateroom unfolds around a large centerline queen berth with a built-in vanity to starboard, several louvered cabinets to port and a roomy forward closet, and the suite is completed by an enclosed head with a large enclosed shower for true onboard comfort and privacy.

## Galley

---

The galley is thoughtfully set down to port and fully appointed for cruising comfort, providing pressurized hot and cold water, a new full-size refrigerator, a three-burner electric stove with oven, a built-in microwave and deep double stainless-steel sinks that combine functionality with the clean, durable finishes expected of a vessel designed for extended time afloat.

## Deck

---

Confident movement aboard is assured by true walk-around decks that make

every side easily accessible, while an Ideal anchor windlass with a foot switch handles ground tackle with effortless authority; a swim platform with a boarding ladder invites easy access to the water, a forward window shade cloth tempers sun and glare, zipper pocket doors to port and starboard add smart convenience, a forward deck wash provides quick rinsedowns, and the look is finished with elegant teak handrails that both please the eye and steady the hand.

## **Additional features**

---

Shipboard systems are thoughtfully specified and include an AC/DC distribution panel, dual stations with both upper and lower helms for versatile control, a 30-amp power inlet with matching 30-amp power cord, hydraulic trim tabs and a rudder angle indicator for precise handling, VHF radios at both upper and lower helms, an eight kilowatt generator, an Espar diesel heater noted as non-operational, a classic teak and holly sole, a CQR anchor with chain, an electric heater, fenders, mooring lines and life jackets, all contributing to a well-rounded inventory that readies Sea Pause for comfortable, safe cruising.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
