DETAILED DESCRIPTION

Description

Jug-R-Knot reveals a remarkably spacious two-cabin layout that harmonizes practical circulation with elegant comfort, featuring two staterooms and two full heads, a galley-down arrangement, an inviting salon, an aft deck, and a large flybridge that together invite effortless entertaining and relaxed cruising. Forward, the VIP suite offers a full double berth at the bow and a starboard-side head with shower, delivering private, well-proportioned accommodations, while aft of this the galley-down places appliances to port and the dinette to starboard, with two steps leading up to the salon to create a graceful transition between living spaces. The built-in L-shaped salon sofa sits to port as cabinetry and an entertainment center line the starboard side, balancing sociability and storage, and access to the master stateroom is from the starboard side aft and down three steps where a full-sized berth lies aft to starboard opposite a full bath with tub to port. From the center of the salon four steps rise to the aft deck, providing an easy flow to exterior living, and the interior décor thoughtfully blends natural cherry wood cabinetry with cherry-wood-look vinyl flooring and soft beige carpeting for a warm, refined ambiance throughout.
