## OVERVIEW

---

New to the market and virtually untouched with only 49 hours on the V10 Mercurys, this 2024 DIAMOND PEARL presents turn key and radiant, finished in BMW Brooklyn Grey with a crisp white boot stripe and no bottom paint. Twin Cold Fusion White 400 hp Mercury outboards are paired with a SeaKeeper SK3 gyro stabilizer for composed, confident handling, and the vessel was freshly ceramic coated in 2024 and recently detailed, emerging as a striking luxury sport yacht and premium express cruiser ready for immediate use.

Tiara's 38 LS reimagines day yachting with true walkaround access and a thoughtfully appointed outdoor galley; the signature rotating U lounge converts the aft cockpit into a flexible social center. Belowdecks, an elegant cabin delivers a comfortable berth and a private head for a refined weekend cruiser experience. This example is trimmed in Signature upholstery with the Ocean Wave interior palette and Platinum Grey synthetic teak throughout, heightening the onboard ambiance.

Forward, a movable fiberglass table anchors the bow lounge beneath a manual Mediterranean sunshade, while aft an electric Makefast sunshade extends at the touch of a switch from the hardtop's trailing edge—perfect for seamless transitions between sun and shade on this outboard powerboat and walkaround dayboat. At the helm, an integrated Garmin Marine suite with open array radar, FLIR M232 thermal camera, and joystick piloting simplifies operation whether making a coastal cruise or a quick offshore run. Three plush helm seats, dedicated helm air conditioning, and a four sided enclosure provide enclosed bridge comfort, and the cockpit's smokeless grill and TV mount invite relaxed entertaining aboard this performance motor yacht.

This is a preliminary offering; expanded details and photography are forthcoming. Images taken on the storage rack depict the actual vessel, with additional visuals combining shots of this boat and a factory sistership. A rare

opportunity to acquire a lightly used, meticulously kept, high spec 38 LS—an exceptional sport yacht, performance powerboat, and refined day cruiser—seriously for sale.

# DETAILED DESCRIPTION

---

## Description

---

New to market and seriously for sale, this 38' Tiara LS 2024 presents as a near-new opportunity with only 49 hours on triple V10 400 hp Mercury outboards finished in Cold Fusion White and equipped with the Joystick Piloting Option (JPO) including Skyhook, seamlessly paired with a SeaKeeper SK3 gyrostabilizer for remarkable poise at rest and underway. Finished in a striking BMW Brooklyn Grey hull with a white boot stripe and no bottom paint, DIAMOND PEARL was ceramic coated in 2024 and has been recently detailed. An Onan 5 kW generator/Cummins diesel supports helm air conditioning, ensuring comfort at the wheel in all conditions. The 38 LS reinterprets luxury sport yachting for the demands of the day-boat lifestyle, combining true walk-around decks and an outdoor galley with Tiara's signature rotating U-lounge that transforms the aft cockpit from elegant dining to expansive lounging in moments. Below, an elegant cabin welcomes with a berth and private head. This example features the Signature upholstery package with the Ocean Wave interior fabric option, along with Platinum Grey synthetic teak decking beneath the aft seating console. Forward, the seating area is appointed with a movable fiberglass table, a Fusion stereo remote control, 12 V charging outlets, drink holders, and a manual Mediterranean sunshade for effortless shelter. Aft, the electric Makefast sunshade deploys at the touch of a switch from the aft edge of the hardtop. The integrated Garmin Marine navigation suite includes an open array radar scanner, a FLIR M232 camera, a bow thruster, and joystick piloting that embeds Autopilot control into the navigation screens for intuitive command by the helmsman. Three comfortable captain's chairs, helm A/C, and a full isinglass enclosure create a protected, climate-controlled command center. The cockpit is equally well equipped with

a smokeless grill, sink and refrigeration, and a TV mount, while attractive RGB multi-color trim lighting and underwater lights elevate the mood at anchor or underway. This preliminary listing will be supplemented with additional details shortly.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
