OVERVIEW

"Reel Doozy (Name Reserved)" was expertly built for an experienced owner, incorporating high-end equipment and design. This yacht has been carefully looked after from the beginning, featuring a complete ceramic coating and a full hull clear wrap. The engines are flushed after each use, and only high-quality non-ethanol 93 octane marine fuel has been utilized since its launch. The boat is kept on a lift, eliminating the need for bottom paint. If you're in the market for a yacht, this remarkable vessel is currently available for purchase. Discover yacht sales in the current boat location to acquire a yacht that embodies luxury and sophistication.

DETAILED DESCRIPTION

2023 38' Jupiter "Reel Doozy"

The 2023 38' Jupiter "Reel Doozy" is an extraordinary craft that merges sophistication with high performance. Measuring 38 feet 2 inches in length and 10 feet 7 inches in width, this yacht provides a roomy and comfortable journey on the water. With a wet weight of around 16,000 pounds, it is both sturdy and nimble. The yacht features a generous fuel capacity of 480 gallons, allowing for long trips without the need for frequent refueling, while the 50-gallon water capacity ensures you have plenty of supply for your needs.

This splendid yacht is powered by three Mercury V8 300 HP White Fusion engines, which have logged approximately 276 hours. These engines include a transferable 5-year warranty that is valid until May 2028, providing assurance and dependability. The addition of a Mercury Joystick with Auto Pilot improves maneuverability and simplifies navigation, ensuring your voyage is as seamless as possible.

The "Reel Doozy" is an ideal option for those interested in purchasing a yacht that effortlessly combines luxury with state-of-the-art technology. Whether you're browsing yacht sales in the current boat location or searching for a standout yacht for sale, this vessel guarantees an outstanding experience on the water.

Deck and hull

The deck and hull of this yacht showcase its exceptional craftsmanship and meticulous attention to detail. The hull is finished in a beautiful Snow White shade, accentuated by a Hexis Gloss Clear Wrap, while the bottom is coated with an Anthracite Grey Gel Coat, creating a striking contrast. The underside of

the hardtop is completed in Whisper Grey Gelcoat, enhancing the sophisticated look. Custom Teak Vinyl wraps on the toe rails and a teak package, which includes a helm pad and footrest, further enhance the luxurious ambiance. All aluminum parts are powder-coated in white, perfectly matching the elegantly simple white upholstery without stitching.

The yacht features an acrylic windshield and a Quick MCX3 Gyro with mezzanine seating, ensuring both comfort and stability. The helm is adorned with Release Marine Teak Helm Chairs and a bow seating backrest, providing both style and support. For added convenience, a Reverso Engine Flush System is installed, and the yacht is illuminated by four Lumitec Seablaze X Spectrum underwater lights, along with multi-color under gunnel and hardtop lights. LED spreader lights at the forward, aft, port, and starboard ensure visibility in all directions.

Additional elements include a port side dive door, a bow thruster for improved maneuverability, and a custom tow bit. The windlass is fitted with an upgraded stainless steel Delta anchor, and Lumitec LED light bars offer ample illumination. A fresh water marine head enhances the onboard amenities, making this yacht a perfect fusion of luxury and practicality.

Electronics

The yacht's electronics package is crafted to deliver unmatched navigation and communication prowess. It includes two Garmin 8616 XSV Chartplotters, guaranteeing accurate and dependable charting. The Garmin 12KW XHD2 Radar, with its 4-foot antenna, provides outstanding range and clarity, while the Garmin GXM54 Radio/Weather system keeps you updated on current conditions. For safety and communication, the yacht is fitted with a Garmin AIS transceiver and a Garmin 300 VHF, complemented by an Icom VHF with a remote antenna for extended coverage.

Boosting the vessel's situational awareness is the FLIR M332 Stabilized Thermal

Camera, a new feature for 2024, offering clear thermal imaging in any condition. The Airmar 1KW Chirp Flush mounted transducer ensures precise depth readings, essential for safe navigation. Entertainment is well-catered for with a Fusion Stereo system powered by dual amplifiers, providing high-quality sound throughout the yacht. Security is a top priority, and the GOST NT-Evolution Security System provides peace of mind with its advanced monitoring features. This extensive electronics suite ensures that every voyage is both secure and enjoyable.

Fishing equipment

The fishing gear on this yacht is crafted to satisfy the demands of dedicated anglers, providing both practicality and ease. The Gemlux Bluewater outrigger bases offer a solid platform for your fishing excursions. At the stern, a 60-gallon livewell with an aquarium window keeps your bait fresh, while a backup livewell pump provides additional reliability. The custom rod holder rocket launcher on the transom holds six rods, and the hardtop is equipped with a five-rod rocket launcher, optimizing your fishing arrangement.

For cleaning and upkeep, the yacht is fitted with both fresh and seawater washdowns. Below the deck, two fish boxes with macerators provide generous storage for your catch. The yacht also includes four Kristal 12V electric reel outlets, equipped with 6-gauge wire and 30A breakers, along with two Hubbell 12V electric reel outlets, ensuring you have all the necessary power for electric reels. This extensive fishing setup guarantees that every fishing expedition is both successful and enjoyable.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts.
