OVERVIEW

YM is proud to present this 2017 Princess V39 Sport Yacht to the market. One of the most refined 39-footers to grace the Gold Coast, this Princess marries sumptuous finish with nimble handling and everyday versatility, equally at home on effortless day cruises or indulgent overnight escapes. Crafted for entertaining, the V39 offers luxurious surfaces and expansive lounging that keep family and friends comfortable, perfectly encapsulating the spirit of a luxury motor yacht, sports cruiser and express cruiser in a single, graceful hull.

Performance is immediate and composed: a relaxed 22-knot cruise is effortless, with exhilarating bursts to around 32 knots for spirited passages. Precision joystick control simplifies close-quarters manoeuvres and berthing, making every arrival and departure calm and assured and reinforcing the V39's standing as a performance sport yacht and premium dayboat. Up top, an opening sunroof reveals over five square metres of sky to create a true open-air ambiance, while the generous cockpit invites sociable gatherings with a fully equipped wet bar and barbeque. An optional forward sunbed on the bow extends the sun-soaked real estate, offering plentiful places to recline during coastal hops, weekend runs and chic harbour sorties.

Below deck, the bright, cleverly planned galley benefits from abundant natural light and smart storage that uses every available inch. The owner's cabin provides excellent headroom and a tranquil sense of space, while the aft cabin features factory-specified sliding berths that convert easily into a comfortable double, delivering flexible accommodation worthy of an elegant offshore cruiser. Exquisite hand-stitched detailing, beautifully crafted cabinetry and a considered, no-compromise layout underline the V39's pedigree.

Meticulously maintained to exacting standards and presented in pristine condition, this Princess V39 is an exceptional sports cruiser for the discerning

buyer seeking an even balance of luxury, performance and timeless style.
