## OVERVIEW

---

Nestled amid the crystalline waters of Greece, this exquisite 2008 Cigarette embodies both refined design and formidable engineering, offered now with VAT paid and navigation electronics renewed in 2017, ready to chart fresh horizons. Whether sought by an experienced mariner or a first-time owner, the yacht presents a rare chance to claim a piece of maritime elegance.

On the water, the sensation is pure exhilaration: three powerful Mercury engines propel this monohull to a breathtaking maximum speed of 70 knots, settling into a comfortable cruising pace of 40 knots for extended passages. The single-hull layout, constructed from quality fiberglass and plastic, delivers a disciplined, stable ride that complements the vessel's athletic temperament. Interior appointments reflect Cigarette's dedication to purposeful luxury, offering intimate accommodations for two within a thoughtfully arranged cabin that invites restful nights after days at sea. The living spaces balance tasteful form with practical function, creating a serene refuge between adventures.

The exterior spaces are equally considered, with a generous deck fashioned from durable fiberglass that provides an inviting stage for sunbathing or welcoming guests. Fuel and water capacities are designed to support longer excursions - with 369.84 gallons of fuel and 15.85 gallons of fresh water on board, enabling you to explore the Mediterranean with confidence.

Practical considerations have been addressed to simplify ownership: a trailer is included with the sale, and the vessel's draft ranges from 6.562 ft to 9.843 ft to suit a variety of cruising grounds. Despite its agility and performance, the yacht registers a gross tonnage of 20 pounds, a compact and nimble figure that underscores its readiness for spirited use.

This Cigarette is more than a craft; it is a lifestyle waiting to be lived. Located in Greece and primed for immediate enjoyment, it represents a compelling

opportunity for personal pleasure or investment. Contact us today to learn more and begin your next great voyage.
