OVERVIEW

This immaculate 2025 Sea Ray 370 Sundancer Outboard arrives as a dealer demo with just 24 hours of run time and a transferable factory extended warranty in place through 2033, presenting a rare opportunity to secure Sea Ray's flagship sport cruiser at roughly forty percent below current replacement pricing while avoiding new-build lead times and option premiums; quality trades are considered. The hull and topsides carry a professionally applied Vantage protective coating with a five-year term, preserving the yacht's finish and resale appeal. Power comes from twin Mercury 600 Verado V12 outboards paired with Joystick Piloting, delivering exhilarating acceleration, remarkably quiet cruising, and fingertip control that makes open-water passages and tight marina maneuvers equally assured and effortless.

Outside, Sea Ray's signature express-cruiser silhouette and integrated hardtop flow into an expansive cockpit appointed with sumptuous seating, convertible sun-lounges and an extended swim platform that invites watersports and easy boarding; designed for entertaining, the yacht transitions flawlessly from dayboat to weekender, offering an elegant setting for sunset cruises or gatherings with family and friends. Below, the cabin reflects refined craftsmanship and premium materials, providing comfortable accommodations for up to four guests, a well-equipped galley, an enclosed head and a climate-controlled salon that together create a tranquil retreat for overnight or extended coastal escapes. Systems and amenities are comprehensive, including a Seakeeper stabilization system for superior onboard comfort at rest and underway, the Sea Ray SmartCraft digital helm with dual Simrad displays for intuitive navigation and systems integration, and an upgraded Fusion premium audio package that fills the vessel with immersive, high-fidelity sound from bow to transom. The cockpit is fitted with an outdoor kitchen, dedicated air conditioning, a flatscreen TV and a

refrigerator, while a generator and full air conditioning support self-sufficiency wherever you cruise; additional comfort and versatility are provided by the power-deploying SureShade cockpit extension and a generous bow lounge area ideal for soaking up sun or stargazing. Meticulously maintained, impeccably detailed and truly turnkey, this outboard-powered performance cruiser is ready for immediate enjoyment—step aboard and set a course for your next on-the-water escape.
