OVERVIEW

SUNSEEKER SUPERHAWK 40

Current Boat Location: Ibiza, Spain

Step aboard this striking 2004 Sunseeker Superhawk 40, where bold performance meets refined comfort against the azure backdrop of Ibiza. Recently treated to a comprehensive 2023 refit, the yacht presents rebuilt engines with zero hours and a refreshed engine room, marrying modern reliability with the dramatic, aerodynamic lines that define the Superhawk profile. Twin powerplants deliver the exhilaration expected of this model while the hull's vinyl finish, complemented by meticulous vinyl wrapping and a polished exterior, announces her presence before the bow cuts the first wave. Beneath the sporty silhouette, twin engines are tuned for responsiveness and control, translating into confident handling whether carving through swells or easing into a relaxed cruise. The cockpit is arranged with both conviviality and practicality in mind, offering generous seating and an expansive aft sunbed that invites long, languid afternoons. Sun lovers will appreciate the broad sunbathing areas, while the interior—rebuilt upholstery throughout—provides a tasteful, contemporary refuge after a day on the water. Every element has been considered for quality and comfort, from the upgraded sound system to the striking design touches that elevate both aesthetics and function. Recent photographs depict the actual yacht as seen in the last few months and we encourage viewings to fully appreciate this rare combination of speed, style, and seaworthiness.
