## OVERVIEW

---

The Windy 39 Camira, penned by Dubois Naval Architects, marries sinuous, purposeful lines with a calm confidence that carries through when the sea rises. Winner of European Powerboat of the Year in 2015 and specified here with nearly every factory option, she is a superbly finished luxury motor yacht and an accomplished day cruiser, where Windy's celebrated craftsmanship is evident in every join and finish. Her 7 mm solid oak decking introduces a tone of discreet refinement while the interior balances elegance with a welcoming warmth; thoughtful layout and quality materials create spaces that feel both intimate and thoroughly marine. Engineering follows Windy's exacting standards: twin Volvo Penta D6s, each 400 hp and specified as D6 400DPH EVC, drive her to a maximum of 42 knots with an effortless 30-knot cruise and commendable fuel economy, the engines having recorded 950 hrs. Practicality is noteworthy for a boat of this class, with an aft tender garage, seating for nine by day, and overnight accommodation for four guests in two double cabins. The sociable cockpit is arranged for long, leisurely days on the water and includes a wet bar with electric grill and refrigerator, marrying convivial onboard living with true performance capability.

## Summary

---

CUCA is a 2018 Windy 39 Camira, a Dubois Naval creation that blends poise and punch, delivering high comfort and assured performance even when the weather turns. Crowned European Power Boat of the Year in 2015, the Camira pedigree is undeniable—and this example is specified with virtually every factory extra, presenting as a very high-quality motor yacht and consummate day cruiser. A fine seven millimetre oak deck sets the tone for craftsmanship underfoot, while the interior is notably comfortable and elegantly appointed, echoing the elevated technical standards for which Windy is renowned. Her deep V planing hull pairs security with agility, and at the stern a tender garage adds seamless practicality for days at anchor. Power comes from twin Volvo Penta D6 400DPH EVC engines, 400 hp each, with 950 engine hours, delivering a top speed of 42 kts and an effortlessly comfortable 30 kts cruise with very low fuel consumption. Electrical autonomy is supported by an Onan 4 kW generator, while systems remain refreshingly straightforward with no stabilizers and no watermaker. At 12 m in length, this sporting cruiser offers sociable versatility: space for nine guests by day and restful overnight accommodation for four across two double cabins, complemented by a cockpit wet bar complete with electric grill and fridge. There are no crew cabins, underscoring her owner driver appeal. Built by Windy, flagged on the Spanish Registry Lista 6ª and holding commercial registration, CUCA is lying in Puerto de Andratx, Mallorca, Spain. Asking price is 349,500 Euros, with all taxes paid—VAT and Matriculation Tax paid. Single ownership from new affirms the care and provenance of this standout 39 Camira.

## Сводка

---

CUCA — это 2018 года Windy 39 Camira, проект Dubois Naval, в котором сочетаются изящество и мощь, обеспечивая высокий уровень комфорта и уверенную мореходность даже при переменчивой погоде. Награждённая званием European Power Boat of the Year в две тысячи пятнадцатом году, репутация Camira не вызывает сомнений, и этот экземпляр укомплектован практически всеми заводскими опциями, представляя как моторная яхта высокого класса и идеальный прогулочный крейсер на день. Тон работы под ногами задаёт прекрасная дубовая палуба толщиной семь миллиметров, а интерьер удивительно комфортен и элегантно оформлен, отражая высокие технические стандарты, с которыми ассоциируется Windy. Её килеватый планирующий корпус типа deep V сочетает уверенность и манёвренность, а в корме предусмотрен ангар для тендера, добавляющий практичности во время стоянки на якоре. Силовая установка состоит из двух двигателей Volvo Penta D6 400DPH EVC по 400 hp каждый, с наработкой девятьсот пятьдесят моточасов, что обеспечивает максимальную скорость сорок две узла и комфортный крейсер тридцать узлов при очень низком расходе топлива. Электрическую автономию обеспечивает генератор Onan мощностью 4 kW, при этом системы остаются предельно простыми — без стабилизаторов и без опреснителя. При длине двенадцать метров этот спортивный крейсер обладает универсальностью для общения: место для девяти гостей днём и спокойные спальные места для четырёх человек в двух двухместных каютах, дополненные кокпит-баром с электрическим грилем и холодильником. Кают для команды нет, что подчёркивает её привлекательность для владельца — шкипера. Построенная Windy, с флагом Испанского регистра Lista б<sup>а</sup> и с коммерческой регистрацией, CUCA находится в Пуэрто-де-Андрагкс, Мальорка, Испания. Запрашиваемая цена 349,500 Euros, все налоги оплачены — НДС и налог

на матрицацию оплачены. Единственный владелец с момента покупки подтверждает бережное обращение и происхождение этого выдающегося 39 Camira.
