DETAILED DESCRIPTION

2018 Pursuit OS 385 Offshore CLB

The 2018 Pursuit OS 385 Offshore CLB stands as the flagship model of the Pursuit fleet, epitomizing the pinnacle of premium offshore boating. Just shy of 40 feet in length, this vessel offers the comforts of home paired with an unparalleled 360-degree water view. Its fully integrated hardtop and windshield are meticulously engineered to support an optional factory-built tower, which features a combination cushioned seating and leaning post. This tower option is complete with a fiberglass top and console, equipped with controls and matching Yamaha command link plus gauges.

The OS 385 masterfully combines the performance, seaworthiness, and fishability of the world's top inboard convertible and express offerings with the luxurious interior appointments of the most comfortable cruisers. The dependable Yamaha outboards on the transom not only enhance overall performance but also free up valuable space for additional storage and accommodations. Its sleek, express style, complemented by a 13-foot beam, results in an expansive cockpit and a roomy interior below decks.

The use of structural and sound-deadening insulation materials, matched with proprietary stringer and assembly processes, creates one of the quietest cabin environments available. Every inch of this boat exudes yacht-caliber fit and finish, from its robust grab rails to its bow thruster, and its Corian®-countered gourmet kitchen. This kitchen is fully equipped with a two-burner glass stovetop, microwave, a 7.5 cubic-foot stainless steel refrigerator/freezer, and a fiberglass sink with hot and cold pressurized water.

For those yearning for outstanding performance and yacht-class design without the constant maintenance and expense, the OS 385 is the answer to your dreams. Below decks, the light-colored interior woods, exquisite fabrics,

and strategically located ports create a spacious, stylish, and inviting atmosphere. Forward of the galley, the convertible dinette offers a comfortable setting for dinner at the custom lacquered wood table. Amidships, a double berth accommodates two adults, complete with a convenient settee with sitting headroom and reading lights. The head features a separate standalone shower compartment, elegantly finished in frosted smoked green acrylic.

In every aspect, the 2018 Pursuit OS 385 Offshore CLB is designed to deliver an exceptional boating experience, seamlessly blending technical prowess with luxurious comfort.

CONTACTS

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
