# DETAILED DESCRIPTION

---

## Introduction

---

Buena Onda is a stunning vessel that has been meticulously maintained with an open checkbook, showcasing numerous notable upgrades. One of its standout features is the Vitron Battery System, which provides several hours of power to run all onboard systems without the need to operate the generator. This ensures a seamless and quiet experience while enjoying the yacht's amenities.

For those who value comfort and stability, the addition of the Seakeeper 5 is a game-changer, offering a smooth ride and enhanced stability even while at anchor. This feature is particularly beneficial for those who enjoy spending extended periods on the water without the discomfort of excessive motion.

Moreover, the yacht is equipped with a Freedom Davit, which adds a layer of versatility by allowing you to carry a tender. This feature is perfect for exploring anchorages and accessing areas that are otherwise difficult to reach, enhancing your overall yachting experience.

Buena Onda is truly a must-see for anyone in the market for a well-maintained and upgraded vessel that combines luxury with practicality.

## Equipment

---

The yacht is powered by two robust Volvo IPS500 engines, each delivering 370 horsepower, ensuring a powerful and efficient performance on the water. The Volvo Glass Cockpit Integrated Electronics Package enhances the navigation experience with features such as Volvo Joystick Control, dual 12-inch Garmin GPS screens, Garmin Autopilot, Volvo Dynamic Positioning System (DPS), and a Garmin 24xHD Dome radar. This comprehensive setup ensures precise control

and situational awareness.

For communication and depth tracking, the yacht is equipped with a Garmin VHF radio and a 600-watt transducer. Anchoring is made easy with a wash-down anchor locker and an all-chain windlass, while the oil changing system for both the engines and generator simplifies maintenance tasks. The waste system is efficiently managed with a macerator, and the Lenco Auto Trim System ensures optimal balance and performance.

The yacht's exterior features a 42-inch swim platform and underwater lights, creating a perfect setting for evening swims. The transom is equipped with a Kenyon electric grill, ideal for outdoor cooking, and an aft one-touch sunshade provides comfort and protection from the sun. A spotlight with remote control is conveniently located on the bow for enhanced visibility.

Entertainment options include a TV with a Blu-Ray DVD player, and the cockpit is adorned with ultra-leather upholstery for a luxurious feel. The interior and aft entertainment area are elegantly finished with Corian surfaces, adding a touch of sophistication to the yacht's design.

## Upgrades & improvements

---

The yacht has undergone a series of impressive upgrades and improvements, enhancing both its functionality and aesthetic appeal. A Seakeeper 5 has been installed, providing exceptional stability and comfort during voyages. The addition of six Sea Vision multi-color underwater lights not only enhances the yacht's visual allure but also creates a captivating ambiance for evening cruises.

For audio enthusiasts, a new JL Audio System has been integrated, delivering high-quality sound throughout the vessel. The installation of a FLIR camera enhances safety and navigation, offering superior night vision capabilities. The yacht's exterior has been given a sleek and modern look with a grey hull wrap,

while the Freedom Davit adds versatility by allowing the easy transport of a tender.

The Vitron Lithium Battery System ensures efficient and reliable power management, while synthetic teak has been added to the cockpit and swim platform, providing a touch of elegance and durability. The yacht is equipped with 350 feet of chain, ensuring secure anchoring, and comes with a brand new 10-foot Northstar Axis tender, perfect for exploring nearby waters.

To enhance comfort and style, VCool has been applied to the forward windows, reducing heat and glare, and new bedding has been added to ensure a restful and luxurious onboard experience. These upgrades and improvements make the yacht not only more functional but also more enjoyable for all aboard.

## Exclusions

---

The registered name "BUENA ONDA" does not convey with the sale of the yacht. Exclusions from the sale include, but are not limited to, all of the owner's personal items. A comprehensive list of these exclusions will be provided at the time of sale, available upon written request. This ensures that prospective buyers are fully informed of what is and is not included in the purchase, allowing for a transparent and smooth transaction process.
