## OVERVIEW

---

A vessel of refined capability and timeless style, this yacht is propelled by three Yamaha 300hp engines finished in a pristine white, delivering confident speed and smooth performance. Onboard power is assured by a Fisher Panda generator, while a state-of-the-art satellite antenna keeps you connected wherever you roam. The exterior is enhanced by a custom extended canvas that adds protection and elegant lines, and the cockpit is graced with a tailor-made table that reflects a bespoke attention to detail. Maneuvering is effortless thanks to a bow thruster, and alfresco cuisine is elevated by an electric grill complemented by a transom freezer for convenient provisioning. Comfort and usability are addressed with a complete icing glass enclosure for all-weather enjoyment and air conditioning in both the cockpit and cabin for uninterrupted relaxation. Recent maintenance includes fresh bottom paint applied in June 2021, and fishing enthusiasts will appreciate the fitted outriggers. Navigation and control are modern and integrated: Garmin radar for situational awareness, Garmin GPS for precise positioning, and Garmin autopilot for relaxed passage-making. Entertainment is delivered through a premium JL audio system, creating a sumptuous onboard atmosphere. Currently located in the current boat location, this yacht represents an outstanding opportunity for discerning buyers. Explore yacht sales in the current boat location and elevate your maritime ventures with this exceptional offering.

## DETAILED DESCRIPTION

---

### 2018 Pursuit OS 385 Offshore CLB

---

The 2018 Pursuit OS 385 Offshore CLB stands as the flagship model of the Pursuit fleet, epitomizing the pinnacle of premium offshore boating with a balance of rugged capability and refined comfort. Just shy of 40 feet in length, this yacht delivers the comforts of home against an unparalleled 360-degree water view, its fully integrated hardtop and windshield engineered to support an optional factory-built tower that includes a combination cushioned seating and leaning post; the tower option is finished with a fiberglass top and console and is equipped with controls and matching Yamaha command link plus gauges. The OS 385 masterfully blends the performance, seaworthiness, and fishability of the world's leading inboard convertibles and express boats with the luxurious interior appointments of the most comfortable cruisers, while dependable Yamaha outboards on the transom enhance overall performance and free valuable space for additional storage and accommodations. Its sleek express styling and a generous 13-foot beam translate into an expansive cockpit and a spacious, well-appointed interior below decks where structural and sound-deadening insulation materials, combined with proprietary stringer and assembly processes, create one of the quietest cabin environments available. Every inch reflects yacht-caliber fit and finish, from robust grab rails and a bow thruster to a Corian®-countered gourmet galley complete with a two-burner glass stovetop, microwave, a 7.5 cubic-foot stainless steel refrigerator/freezer, and a fiberglass sink with hot and cold pressurized water. For owners seeking outstanding performance and yacht-class design without the constant maintenance and expense, the OS 385 answers that call: below decks, light-colored interior woods, exquisite fabrics, and well-placed ports produce a bright, stylish, and inviting atmosphere; forward of the galley a

convertible dinette gathers guests around a custom lacquered wood table, amidships a double berth comfortably accommodates two adults and is complemented by a convenient settee with sitting headroom and reading lights, and the head features a separate standalone shower elegantly finished in frosted smoked green acrylic. In every respect the 2018 Pursuit OS 385 Offshore CLB is designed to deliver an exceptional boating experience, seamlessly marrying technical prowess with luxurious comfort.

# CONTACTS

---

Shestakov Yacht Sales is a brokerage company specializing in the sale and service of yachts worldwide. The company offers services for buying and selling both new and used motor yachts, sailing vessels, and luxury superyachts. They also provide yacht registration, insurance, technical maintenance, crew selection, and charter organization services across the U.S., Canada, Latin America, the Caribbean, and the Bahamas.

The founder and lead broker of the company is Andrey Shestakov, a licensed and certified expert with extensive experience in marine engineering and shipbuilding.

The company has an extensive network of partnerships with major yacht manufacturers worldwide and provides services in multiple languages, including Russian, Ukrainian, Spanish, and English. The office is in Dania Beach, Florida, USA.
